THIS OFFER INFORMATION STATEMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. BEFORE MAKING ANY INVESTMENT IN THE NIL-PAID RIGHTS OR RIGHTS SHARES (EACH AS DEFINED HEREIN) BEING OFFERED, YOU SHOULD CONSIDER THE INFORMATION PROVIDED IN THIS OFFER INFORMATION STATEMENT CAREFULLY AND CONSIDER WHETHER YOU UNDERSTAND WHAT IS DESCRIBED IN THIS OFFER INFORMATION STATEMENT. YOU SHOULD ALSO CONSIDER WHETHER AN INVESTMENT IN THE NIL-PAID RIGHTS OR RIGHTS SHARES BEING OFFERED IS SUITABLE FOR YOU, TAKING INTO ACCOUNT YOUR INVESTMENT OBJECTIVES AND RISK APPETITE. IF YOU ARE IN ANY DOUBT AS TO THE ACTION YOU SHOULD TAKE, YOU SHOULD CONSULT YOUR LEGAL, FINANCIAL, TAX OR OTHER PROFESSIONAL ADVISER(S) IMMEDIATELY. YOU ARE RESPONSIBLE FOR YOUR OWN INVESTMENT CHOICES.

The Rights Shares offered are issued by Clearbridge Health Limited (the "Company"), an entity whose shares are listed for quotation on Catalist (as defined herein).

Companies listed on Catalist may carry higher investment risk when compared with larger or more established companies listed on the Mainboard of the SGX-ST. In particular, companies may list on Catalist without a track record of profitability and there is no assurance that there will be a liquid market in the securities traded on Catalist. A prospective investor should be aware of the risks of investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser.

This offer is made in or accompanied by a copy of this offer information statement (the "Offer Information Statement"), together with a copy of each of the Provisional Allotment Letter ("PAL"), the Application Form for Rights Shares and Excess Rights Shares ("ARE") and the Application Form for Rights Shares ("ARS"), which has been lodged with the SGX-ST, acting as agent on behalf of the Authority. An application has been made for permission for the Rights Shares to be listed for quotation on Catalist and a listing and quotation notice has been obtained on 25 October 2024 from the SGX-ST for the listing of, and quotation for, the Rights Shares on Catalist, subject to compliance with the SGX-ST's listing requirements. The listing and quotation notice granted by the SGX-ST for the dealing in and the listing of and quotation for the Rights Shares is in no way reflective of and is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company, its Subsidiaries (as defined herein) and/or their securities. The Rights Shares will be admitted to Catalist and official quotation for the Rights Shares will commence after all conditions imposed by the SGX-ST are satisfied, the certificates relating thereto have been issued and the allotment notification letters from The Central Depository (Pte) Limited ("CDP") have been despatched.

Acceptance of applications will be conditional upon issue of the Rights Shares and upon listing of the Rights Shares on the Catalist. Monies paid in respect of any application accepted will be returned if the listing of the Rights Shares does not proceed.

SUMMARY OF THE PRINCIPAL TERMS OF THE RIGHTS ISSUE

The following is a summary of the principal terms and conditions of the Rights Issue and is derived from and should be read in conjunction with the full text of this Offer Information Statement and is qualified in its entirety by reference to information appearing elsewhere in this Offer Information Statement.

Number of Rights Shares : Up to 1,279,125,560 Rights Shares to be allotted and issued on a renounceable non-underwritten basis (assuming Maximum Subscription Scenario).

Allotment Ratio : The Rights Issue will be made on a renounceable non-underwritten basis to all Entitled Shareholders on the basis of two (2) Rights Shares for every one (1) existing Share held by Entitled Shareholders as at the Record Date, fractional entitlements to be disregarded.

Issue Price of the Rights Shares : S\$0.002 per Rights Share.

Discount : The Issue Price represents:

- (a) a discount of approximately 53.49% to the theoretical ex-rights price of approximately S\$0.0043 per Share based on the last traded price of S\$0.009 per Share for Shares traded on the Catalist on 27 September 2024, being the last Market Day immediately preceding the date of the proposed Rights Issue Announcement on which Shares were traded on the Catalist; and
- (b) a discount of approximately 77.78% to the volume weighted average price of S\$0.009 per Share for Shares traded on the Catalist on 27 September 2024, being the last Market Day immediately preceding the date of the proposed Rights Issue Announcement on which Shares were traded on the Catalist.

In determining the Issue Price and such discount, the Directors have taken into account, *inter alia*, the historical financial performance of the Group, historical prices of the Company's shares in the past twelve (12) months, the size of the Rights Issue and the Group's fundraising needs.

SUMMARY OF THE PRINCIPAL TERMS OF THE RIGHTS ISSUE

Non-Underwritten Basis	:	<p>The Rights Issue will not be underwritten.</p> <p>The Directors are of the opinion that there is no minimum amount that must be raised from the Rights Issue. Accordingly, the Company has decided to undertake the Rights Issue on a non-underwritten basis in view of the Irrevocable Undertakings and cost savings that it anticipates it will enjoy as a result of not having to bear any underwriting fees and commissions.</p> <p>The Rights Issue will not be withdrawn after the commencement of ex-rights trading pursuant to Rule 820(1) of the Catalist Rules.</p>
Status of the Rights Shares	:	<p>The Rights Shares will be payable in full upon acceptance and/or application. The Rights Shares will, upon allotment and issuance, rank <i>pari passu</i> in all respects with the then existing Shares, except that they will not rank for any dividends, rights, allotments or other distributions that may be declared or paid for which the record date falls before the date of issue of the Rights Shares.</p>
Eligibility of Entitled Shareholders to participate in the Rights Issue	:	<p>As there may be prohibitions or restrictions against the offering of Rights Shares in certain jurisdictions, only Entitled Shareholders are eligible to participate in the Rights Issue. Please refer to the section entitled “Eligibility of Shareholders to Participate in the Rights Issue” of this Offer Information Statement for details on the eligibility of Shareholders to participate in the Rights Issue.</p>
Acceptances, Excess Application and Payment Procedures	:	<p>The procedures for acceptance, payment and Excess Application by Entitled Shareholders are set out in Appendices II, III and IV to this Offer Information Statement and in the PAL, the ARE and the ARS (as the case may be).</p>
Listing of the Rights Shares	:	<p>The Company has on 25 October 2024 obtained the listing and quotation notice from the SGX-ST for the listing of and quotation for the Rights Shares on the Catalist, subject to, among others, compliance with the SGX-ST’s listing requirements.</p> <p>The listing and quotation notice from the SGX-ST is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company, its Subsidiaries and their securities.</p>
Trading of the Rights Shares	:	<p>Upon the listing of and quotation for the Rights Shares on the SGX-ST, the Rights Shares will be traded on the Catalist under the book-entry (scripless) settlement system.</p>

SUMMARY OF THE PRINCIPAL TERMS OF THE RIGHTS ISSUE

Odd Lots : For the purposes of trading on the Catalist, each board lot of Shares will comprise 100 Shares. Following the Rights Issue, Shareholders who hold odd lots of Shares (that is, lots other than board lots of 100 Shares) and who wish to trade in odd lots on the Catalist are able to trade odd lots of Shares on the Unit Share Market.

The Unit Share Market is a ready market for trading of odd lots of Shares with a minimum size of one (1) Share. Shareholders should note that the market for trading of such odd lots of Shares may be illiquid. There is no assurance that Shareholders who hold odd lots of Shares will be able to acquire such number of Shares required to make up a board lot, or to dispose of their odd lots (whether in part or in whole) on the SGX-ST's Unit Share Market.

Use of SRS Funds : SRS Investors who wish to accept their provisional allotments of Rights Shares and apply for Excess Rights Shares (if applicable) can only do so, subject to applicable SRS rules and regulations as well as terms and conditions that may be imposed by the respective SRS Approved Banks, using monies standing to the credit of their respective SRS accounts.

Such SRS Investors who wish to accept their provisional allotments of Rights Shares and apply for Excess Rights Shares (if applicable) using SRS monies must instruct their respective SRS Approved Banks in which they hold their respective SRS accounts, to accept their provisional allotments of Rights Shares and apply for Excess Rights Shares (if applicable) on their behalf. For the avoidance of doubt, SRS Funds may not be used for the purchase of the provisional allotments of Rights Shares directly from the market. Notwithstanding the foregoing, SRS Investors should consult their respective SRS Approved Banks for information and directions as to the use of monies.

Net Proceeds : The Company expects to receive Net Proceeds of approximately S\$515,000 under the Minimum Subscription Scenario and approximately S\$2,308,000 under the Maximum Subscription Scenario, after deducting estimated costs and expenses from the Rights Issue of approximately S\$250,000. An aggregate amount of S\$264,770.51 will be set off from the outstanding amount of the CJ Loan and YPJ Loan, as set out in the section entitled "***Irrevocable Undertakings***", and the balance of the Net Proceeds will be received in cash by the Company.

SUMMARY OF THE PRINCIPAL TERMS OF THE RIGHTS ISSUE

- Use of Proceeds** : Please refer to paragraph 3 of part 4 in the section entitled “*Disclosure Requirements under the Sixteenth Schedule of the Securities and Futures (Offers of Investments) (Securities and Securities-based Derivatives Contracts) Regulations 2018*” of this Offer Information Statement for further details of the use of proceeds.
- Scaling Provisions** : Depending on the level of subscription for the Rights Issue, the Company may, if necessary, scale down the Rights Shares and/or applications for the Excess Rights Shares subscribed by any Shareholder to:
- (a) avoid placing such Shareholder and/or parties acting in concert with it (as defined in the Take-over Code) in the position of incurring an obligation to make a mandatory general offer under the Take-over Code as a result of other Entitled Shareholders not taking up, whether partly or in full, their provisional allotments of the Rights Shares; and/or
 - (b) to avoid the transfer of a Controlling Interest in the Company, which is prohibited under Rule 803 of the Catalist Rules, unless prior approval of Shareholders is obtained in a general meeting.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

1. Entitled Shareholders

In order to be eligible for the Rights Issue, a Shareholder must be an Entitled Shareholder and not be a person to whom it is unlawful to send the OIS Notification Letter, this Offer Information Statement or its accompanying documents (including the PAL, ARE and the ARS) or make an invitation under the Rights Issue.

All questions as to the eligibility of any person to participate in the Rights Issue, subscribe and/or apply for the Rights Shares and as to the validity, form and/or eligibility (including time of receipt) of any PAL, ARE or ARS are determined by the Company in its sole discretion. The Company's determination of whether a person is an Eligible Shareholder, whether or when a PAL, ARE or ARS is received, whether a PAL, ARE or ARS is duly completed or signed in original, or whether any acceptance is validly revoked shall be final and binding.

Entitled Shareholders are entitled to participate in the Rights Issue and to receive the OIS Notification Letter together with:

- (a) for the Entitled Depositors: the ARE, being the application and acceptance form for Rights Shares and the Excess Rights Shares in respect of their provisional allotments of Rights Shares under the Rights Issue; or
- (b) for the Entitled Scripholders: the PAL, being the provisional allotment letter in respect of their provisional allotments of Rights Shares under the Rights Issue,

and other accompanying documents at their respective Singapore addresses as maintained with the records of CDP or the Share Registrar, as the case may be. Printed copies of this Offer Information Statement will not be despatched or disseminated to Entitled Shareholders, but may be accessed at the Company's website at the URL: <https://clearbridgehealth.com> and is also available on the SGX-ST's website at the URL: <https://www.sgx.com/securities/company-announcements>.

Entitled Depositors who do not receive the AREs may obtain them from CDP during the period up to the Closing Date. Entitled Scripholders who do not receive the PALs may obtain them from the Share Registrar during the period up to the Closing Date.

Entitled Shareholders will be provisionally allotted the Rights Shares under the Rights Issue on the basis of their shareholdings as at the Record Date, fractional entitlements (if any) being disregarded. Entitled Shareholders are at liberty to accept (in full or in part), decline, renounce or in the case of Entitled Depositors only, trade their provisional allotments of Rights Shares on Catalist during the rights trading period prescribed by the SGX-ST and are eligible to apply for Excess Rights Shares in excess of their provisional allotments under the Rights Issue. For the avoidance of doubt, only Entitled Shareholders (and not the Purchasers or the Renounees) shall be entitled to apply for Excess Rights Shares in excess of their provisional allotments.

All dealings in, and transactions of, the provisional allotments of Rights Shares through Catalist will be effected under the book-entry (scripless) settlement system. Accordingly, the PALs which are issued to Entitled Scripholders will not be valid for delivery pursuant to trades done on Catalist.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Entitled Depositors should note that all correspondences and notices will be sent to their last registered addresses with CDP as at the Record Date. Entitled Depositors are reminded that any request to CDP to update their records or to effect any change in address must reach CDP at 4 Shenton Way, #02-01, SGX Centre 2, Singapore 068807, not later than 5.00 p.m. on a date being three (3) Market Days prior to the Record Date.

Entitled Scripholders should note that all correspondences and notices will be sent to their last registered addresses with the Company as at the Record Date. Entitled Scripholders are reminded that any request to the Company to update their records or to effect any change in address must reach Clearbridge Health Limited, c/o the Share Registrar, Tricor Barbinder Share Registration Services at 9 Raffles Place, #26-01 Republic Plaza 1, Singapore 048619, not later than 5.00 p.m. on a date being three (3) Market Days prior to the Record Date.

Entitled Scripholders are encouraged to open Securities Accounts with CDP if they have not already done so and deposit their share certificates with CDP prior to the Record Date so that their Securities Accounts may be credited by CDP with their Shares and the provisional allotments of Rights Shares. Entitled Scripholders should note that their Securities Accounts will only be credited with the Shares on the 12th Market Day from the date of lodgement of the share certificates with CDP or such later date subject to the completion of the lodgement process.

Entitled Depositors who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares may only do so through CDP or by way of Electronic Applications. Entitled Scripholders who wish to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares may only do so through the Share Registrar.

For Entitled Shareholders who hold Shares through finance companies or Depository Agents, acceptances and subscriptions of the Rights Shares and (if applicable) applications for Excess Rights Shares must be done through the respective finance companies or Depository Agents. Any acceptances and/or applications by such investors to accept the provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares made directly to CDP, the Share Registrar, the Company or by way of Electronic Applications will be rejected.

SRS Members, subject to applicable SRS rules and regulations, may use their SRS Funds to pay for the acceptance of their provisional allotments of the Rights Shares and (if applicable) application for Excess Rights Shares. SRS Members must instruct the relevant SRS Approved Banks to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares on their behalf in accordance with this Offer Information Statement. In the case of insufficient SRS Funds, subject to the SRS contribution cap, SRS Members may deposit cash into their SRS Accounts with their respective SRS Approved Banks before instructing their respective SRS Approved Banks to accept their provisional allotments of Rights Shares and (if applicable) apply for Excess Rights Shares. SRS Members are advised to provide their respective SRS Approved Banks with the appropriate instructions no later than the deadlines set by their respective SRS Approved Banks in order for their respective SRS Approved Banks to make the relevant acceptance and (if applicable) application on their behalf by the Closing Date. SRS Funds may not, however, be used for the purchase of the provisional allotments of the Rights Shares directly from the market. Any acceptance of the provisional allotments of Rights Shares and (if applicable) application for Excess Rights Shares directly to CDP, the Share Registrar, the Company, or by way of Electronic Applications will be rejected.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Fractional entitlements to the Rights Shares will be disregarded in arriving at the Entitled Shareholders' provisional allotments of Rights Shares and will, together with the provisional allotments of Rights Shares which are not taken up or allotted for any reason, be aggregated and allotted to satisfy excess applications (if any), or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company.

In the allotment of any Excess Rights Shares, preference will be given to Shareholders for the rounding of odd lots, and the Directors and the Substantial Shareholders (including the Undertaking Shareholder) who have Control or influence in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company will also not make any allotment and issuance of any Excess Rights Shares that will result in a transfer of Controlling Interest in the Company unless otherwise approved by Shareholders in a general meeting.

The procedures for, and the terms and conditions applicable to, acceptances, renunciation and/or sales of the provisional allotments of Rights Shares and the applications for Excess Rights Shares, including the different modes of acceptance or application and payment, are contained in Appendices II, III and IV to this Offer Information Statement and in the PAL, the ARE and the ARS (as the case may be).

2. Foreign Shareholders

This Offer Information Statement and its accompanying documents relating to the Rights Issue have not been and will not be lodged, registered or filed in any jurisdiction other than in Singapore. The distribution of this Offer Information Statement and its accompanying documents may be prohibited or restricted (either absolutely or unless relevant securities requirements, whether legal or administrative, are complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions.

For practical reasons and in order to avoid any violation of the securities legislation applicable in jurisdictions other than Singapore, the Rights Shares will **NOT** be offered to Foreign Shareholders and this Offer Information Statement and its accompanying documents have not been and will **NOT** be despatched or disseminated to Foreign Shareholders, or lodged, registered or filed in any jurisdictions outside Singapore.

ACCORDINGLY, FOREIGN SHAREHOLDERS WILL NOT BE ENTITLED TO PARTICIPATE IN THE RIGHTS ISSUE. NO PROVISIONAL ALLOTMENT OF THE RIGHTS SHARES HAS BEEN MADE OR WILL BE MADE TO FOREIGN SHAREHOLDERS AND NO PURPORTED ACCEPTANCE THEREOF OR APPLICATION THEREFOR BY ANY FOREIGN SHAREHOLDER WILL BE VALID.

This Offer Information Statement and its accompanying documents will also **NOT** be despatched or disseminated to Foreign Purchasers. Foreign Purchasers who wish to accept the Nil-Paid Rights and the provisional allotments of the Rights Shares credited to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore. The comments set out in this section are intended as a general guide only and any Foreign Shareholder who is in doubt as to his position should consult his professional advisers without delay. Further, any Renouncee of an Entitled Scripholder, whose address as stated in the PAL is outside Singapore, will not be entitled to accept the provisional allotment of the Rights Shares renounced to him.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

The Company further reserves the right to reject any acceptances of the Rights Shares and (if applicable) any application for Excess Rights Shares where it believes, or has reason to believe, that such acceptance or application may violate the applicable legislation of any jurisdiction. The Company reserves the right to treat as invalid any ARE, ARS or PAL which (i) appears to the Company or its agents to have been executed in a jurisdiction outside Singapore which may violate the applicable legislation of such jurisdiction, (ii) provides an address outside Singapore for the receipt of the share certificate(s) of the Rights Shares or which requires the Company to despatch the share certificate(s) to an address in any jurisdiction outside Singapore, or (iii) purports to exclude any deemed representation or warranty required by the terms of the Offer Information Statement, PAL, ARE and ARS.

Foreign Shareholders who wish to participate in the Rights Issue may provide an address in Singapore for the service of notices and documents by notifying in writing, as the case may be, to (i) CDP at 4 Shenton Way, #02-01, SGX Centre 2, Singapore 068807 or (ii) Clearbridge Health Limited c/o Tricor Barbinder Share Registration Services at 9 Raffles Place, #26-01 Republic Plaza 1, Singapore 048619, at least three (3) Market Days prior to the Record Date.

If it is practicable to do so, arrangements may, at the discretion of the Company, be made for the Nil-Paid Rights and/or provisional allotments of Rights Shares which would otherwise have been provisionally allotted to Foreign Shareholders, to be sold “nil-paid” on Catalist as soon as practicable after dealings in the provisional allotment of Rights Shares commence. Such sales may, however, only be effected if the Company, in its absolute discretion, determines that a premium can be obtained from such sales, after taking into account the relevant expenses to be incurred in relation thereto.

The net proceeds from all such sales, after deduction of all expenses therefrom, will be pooled and thereafter distributed to Foreign Shareholders in proportion to their respective shareholdings or, as the case may be, the number of Shares standing to the credit of their respective Securities Accounts as at the Record Date and sent to them by means of a crossed cheque **at their own risk** by ordinary post, or in such other manner as they may have agreed with CDP for payment of any cash distributions. If the amount of net proceeds to be distributed to any single Foreign Shareholder is less than S\$10.00, the Company shall be entitled to retain or deal with such net proceeds as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder or persons acting to the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors, the Sponsor, CDP, the Share Registrar and/or their respective officers in connection therewith.

Where the provisional allotments of Rights Shares are sold “nil-paid” on Catalist, they will be sold at such price or prices as the Company may, in its absolute discretion, decide and no Foreign Shareholder or persons acting to the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors, the Sponsor, CDP, the Share Registrar and/or their respective officers in connection therewith. If such provisional allotments of Rights Shares cannot be sold or are not sold on Catalist as aforesaid for any reason by such time as the SGX-ST shall have declared to be the last day for trading in the provisional allotments of Rights Shares, the Rights Shares represented by such provisional allotments will be aggregated and allotted to satisfy applications for Excess Rights Shares (if any) or disposed of or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder or persons acting to the account or benefit of any such persons shall have any claim whatsoever against the Company, the Directors, the Sponsor, CDP, the Share Registrar and/or their respective officers in connection therewith.

ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Shareholders should note that the special arrangements described above would apply only to Foreign Shareholders.

Notwithstanding the above, Shareholders and any other person having possession of this Offer Information Statement and its accompanying documents are advised to inform themselves of and to observe any legal requirements applicable thereto at their own expense and without liability to the Company, the Sponsor or any other person involved in the Rights Issue. No person in any territory outside Singapore receiving this Offer Information Statement and/or its accompanying documents may treat the same as an offer, invitation or solicitation to subscribe for any Rights Shares unless such offer, invitation or solicitation could lawfully be made without violating any regulation or legal requirements in those territories.

This Offer Information Statement and/or its accompanying documents are not intended for distribution outside of Singapore.

Depositors should note that all correspondences and notices will be sent to their last registered addresses with CDP.

OFFERING, SELLING AND TRANSFER RESTRICTIONS

No action has been taken or will be taken to permit a public offering of the Nil-Paid Rights or the Rights Shares to occur in any jurisdiction, or the possession, circulation, or distribution of this Offer Information Statement, its accompanying documents or any other material relating to the Company, the Nil-Paid Rights or the Rights Shares in any jurisdiction where action for such purpose is required, except that this Offer Information Statement has been lodged with the SGX-ST, acting as agent on behalf of the Authority. Accordingly, the Nil-Paid Rights or the Rights Shares may not be offered or sold, directly or indirectly, and none of this Offer Information Statement, its accompanying documents or any offering materials or advertisements in connection with the Nil-Paid Rights or the Rights Shares may be distributed or published in or from any country or jurisdiction except under circumstances that will result in compliance with any applicable rules and regulations of any such country or jurisdiction. Investors are advised to consult their professional advisers prior to accepting any Nil-Paid Rights, applying for Excess Rights Shares or making any offer, sale, resale, pledge or other transfer of the Nil-Paid Rights or the Rights Shares.

This Offer Information Statement and/or its accompanying documents are being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, in whole or in part, for any purpose.

General

The distribution (or dissemination in accordance with applicable laws or regulations) of this Offer Information Statement and/or its accompanying documents may be prohibited or restricted by law (either absolutely or subject to various relevant securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant securities laws of these jurisdictions. Shareholders or any other person having possession of this Offer Information Statement and/or its accompanying documents are advised to keep themselves informed of and to observe such prohibitions and restrictions. No person in any territory outside Singapore receiving this Offer Information Statement and/or its accompanying documents may treat the same as an offer, invitation or solicitation to subscribe for any Rights Shares or purchase any Nil-Paid Rights unless such offer, invitation or solicitation could lawfully be made without violating any regulation or legal requirements in such territory.

The Company and the Sponsor have not taken any action, nor will the Company and the Sponsor take any action, in any jurisdiction other than Singapore that would permit a public offering of the Nil-Paid Rights or the Rights Shares, or the possession, circulation or distribution of this Offer Information Statement or any other material relating to the Company, the Nil-Paid Rights or the Rights Shares in any jurisdiction other than Singapore where action for that purpose is required.

Accordingly, Entitled Shareholders, Renounees and Purchasers of Nil-Paid Rights and/or Rights Shares may not offer or sell, directly or indirectly, any Rights Shares or Nil-Paid Rights and may not distribute or publish this Offer Information Statement, its accompanying documents or any other offering material or advertisements in connection with the Nil-Paid Rights or the Rights Shares in or from any country or jurisdiction except in compliance with any applicable rules and regulations of such country or jurisdiction.

TRADING

1. Listing and Quotation of Rights Shares

The Company announced on 28 October 2024 that it has received the listing and quotation notice from the SGX-ST for the dealing in, listing of and quotation for the Rights Shares on Catalist, subject to, *inter alia*, compliance with the SGX-ST's listing requirements.

The listing and quotation notice from the SGX-ST is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company, its Subsidiaries and their securities.

The listing of the Rights Shares on Catalist will commence after all conditions imposed by the SGX-ST are satisfied, all certificates relating thereto have been issued and the allotment notification letters from CDP have been despatched. Upon listing and quotation on Catalist, the Rights Shares will be traded under the book-entry (scripless) settlement system. For the purposes of trading on Catalist, each board lot of Shares will comprise 100 Shares. All dealings in, and transactions (including transfers) of, the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "*Terms and Conditions for Operation of Securities Accounts with CDP*" and the "*Terms and Conditions for CDP to act as Depository for the Rights Shares*", as the same may be amended from time to time, copies of which are available from CDP.

2. Arrangements for Scripless Trading

To facilitate scripless trading, Entitled Scripholders and their Renounees who wish to accept the Rights Shares provisionally allotted to them and (in the case of Entitled Scripholders only) apply for Excess Rights Shares, and who wish to trade the Rights Shares issued to them on Catalist under the book-entry (scripless) settlement system, should open and maintain Securities Accounts with CDP in their own names (if they do not already maintain such Securities Accounts) in order that the number of Rights Shares and (if applicable) the Excess Rights Shares that may be allotted to them may be credited by CDP into their Securities Accounts.

Entitled Scripholders and their Renounees who wish to accept their provisional allotment of Rights Shares and/or (in the case of Entitled Scripholders only) apply for Excess Rights Shares and have their Rights Shares credited by CDP into their Securities Accounts must fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL.

Entitled Scripholders and their Renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who have provided incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in the Securities Accounts currently maintained with CDP, will be issued physical share certificates for the Rights Shares allotted to them in their own names and (if applicable) the Excess Rights Shares allotted to them. Physical share certificates, if issued, will be forwarded to Entitled Scripholders by ordinary post at their own risk but will not be valid for delivery pursuant to trades done on Catalist under the book-entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title.

Entitled Scripholders should note that all correspondences and notices will be sent to their last registered addresses with CDP.

TRADING

If an Entitled Scripholder's address stated in the PAL is different from the address registered with CDP, he must inform CDP of his updated address promptly, failing which the notification letter on successful allotment and other correspondence will be sent to his address last registered with CDP.

A holder of physical share certificate(s) or an Entitled Scripholder who has not deposited his share certificate(s) with CDP but wishes to trade on Catalist, must deposit with CDP the respective certificate(s), together with the duly executed instrument(s) of transfer in favour of CDP, pay the applicable fees (if any) and have his Securities Account credited with the number of Rights Shares and/or existing Shares, as the case may be, before he can effect the desired trade.

3. Trading Odd Lots

Entitled Shareholders should note that the Rights Issue may result in them holding odd lots of Shares (that is, lots other than board lots of 100 Shares).

Following the Rights Issue, Entitled Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots on Catalist will be able to do so on the Unit Share Market of the SGX-ST. The market for trading of such odd lots of Shares may be illiquid. Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots on the Catalist should note that they may have difficulty and/or have to bear disproportionate transaction costs in realising the fair market price of such Shares.

There is no assurance that they can acquire such number of Shares, as the case may be, to make up one board lot of 100 Shares, or to dispose of their odd lots (whether in part or in whole) on Catalist.

4. Trading of Shares of Companies listed on Catalist

Companies listed on Catalist may carry higher investment risk when compared with larger or more established companies listed on the Mainboard of the SGX-ST. In particular, companies may list on Catalist without track record of profitability and there is no assurance that there will be a liquid market in the securities traded on Catalist. A prospective investor should be aware of the risks of investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent financial adviser.

CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS

All statements contained in this Offer Information Statement, statements made in public announcements, press releases and oral statements that may be made by the Company or its Directors, officers or employees acting on its behalf, that are not statements of historical fact, constitute “forward-looking statements”. Some of these statements can be identified by words that have a bias towards the future or, are forward-looking such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “forecast”, “if”, “intend”, “may”, “plan”, “possible”, “probable”, “project”, “should”, “will” and “would” or similar words. However, these words are not the exclusive means of identifying forward-looking statements. All statements regarding the Group’s expected financial position, operating results, business strategy, plans and future prospects of the Group’s industry are forward-looking statements.

These forward-looking statements, *inter alia*, statements as to the Group’s revenue and profitability, prospects, future plans and other matters discussed in this Offer Information Statement regarding matters that are not historical facts, are only predictions. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Group’s actual and/or future results, performance or achievements to be materially different from any future results, performance or achievements expected, expressed or implied by such forward-looking statements.

Given the risks (both known and unknown), uncertainties and other factors that may cause the Group’s actual future results, performance or achievements to be materially different from that expected, expressed or implied by the forward-looking statements in this Offer Information Statement, undue reliance must not be placed on these statements. The Group’s actual results, performance or achievements may differ materially from those anticipated in these forward-looking statements. Neither the Company, the Sponsor nor any other person represents or warrants that the Group’s actual future results, performance or achievements will be as discussed in those forward-looking statements.

Further, the Company and its Directors, officers and employees, and the Sponsor disclaim any responsibility to update any of those forward-looking statements or publicly announce any revisions to those forward-looking statements to reflect future developments, events or circumstances for any reason, even if new information becomes available or other events occur in the future, subject to compliance with any applicable laws and regulations and/or rules of the SGX-ST and/or any regulatory or supervisory body or agency. Where such developments, events or circumstances occur after the lodgement of this Offer Information Statement with the SGX-ST, acting as agent on behalf of the Authority or are required to be disclosed by law and/or the SGX-ST and/or the Sponsor, the Company may make an announcement of the same on the SGXNet and, if required, lodge a supplementary or replacement document with the SGX-ST, acting as agent on behalf of the Authority.

The Company is also subject to the provisions of the Catalist Rules regarding corporate disclosure.

TAKE-OVER LIMITS

The Take-over Code regulates, *inter alia*, the acquisition of ordinary shares of corporations with a primary listing on Catalist, including the Company. Pursuant to the Take-over Code, except with the consent of the SIC, where:

- (a) any person acquires whether by a series of transactions over a period of time or not, Shares which (taken together with Shares held or acquired by parties acting in concert with him) carry 30.0% or more of the voting rights of the Company; or
- (b) any person who, together with parties acting in concert with him, holds not less than 30.0% but not more than 50.0% of the voting rights and such person, or any party acting in concert with him, acquires in any period of six (6) months additional Shares carrying more than 1.0% of the voting rights,

such person must extend a mandatory general offer immediately to the shareholders of the Company for the remaining Shares in the Company in accordance with the provisions of the Take-over Code. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory general offer under the Take-over Code as a result of any acquisition of Rights Shares pursuant to the Rights Issue or the acceptance of the provisional allotment of Rights Shares or the application for Excess Rights Shares, should consult the SIC and/or their professional advisers immediately.

Depending on the level of subscription for the Rights Shares, the Company will, if necessary, and upon the approval of the SGX-ST, scale down a Shareholder's application to subscribe for the Rights Issue to avoid placing the relevant Shareholder and parties acting in concert with it in the position of incurring a mandatory obligation under the Take-over Code as a result of other Shareholders not taking up their Rights Shares entitlements fully.

PART 4 – KEY INFORMATION

USE OF PROCEEDS FROM OFFER AND EXPENSES INCURRED

1. In the same section, provide the information set out in paragraphs 2 to 7 of this Part.
-

Please refer to paragraphs 2 to 7 of this part 4 below.

2. Disclose the estimated amount of the proceeds from the offer (net of the estimated amount of expenses incurred in connection with the offer) (called in this paragraph and paragraph 3 of this Part the net proceeds). Where only a part of the net proceeds will go to the relevant entity, indicate the amount of the net proceeds that will be raised by the relevant entity. If none of the proceeds will go to the relevant entity, provide a statement of that fact.
-

The Company expects to receive Net Proceeds of approximately S\$515,000 under the Minimum Subscription Scenario and approximately S\$2,308,000 under the Maximum Subscription Scenario, after deducting estimated costs and expenses from the Rights Issue of approximately S\$250,000. An aggregate amount of S\$264,770.51 will be set off from the outstanding amount of the CJ Loan and YPJ Loan, in accordance with the section entitled “*Irrevocable Undertakings*” of the Offer Information Statement, and the balance of the Net Proceeds will be received in cash by the Company.

All the Net Proceeds under both the Maximum Subscription Scenario and the Minimum Subscription Scenario will go to the Company and will be utilised in the manner set out in paragraph 3 of part 4 of the section entitled “*Disclosure Requirements under the Sixteenth Schedule of the Securities and Futures (Offers of Investments) (Securities and Securities-based Derivatives Contracts) Regulations 2018*” of this Offer Information Statement.

3. Disclose how the net proceeds raised by the relevant entity from the offer will be allocated to each principal intended use. If the anticipated proceeds will not be sufficient to fund all of the intended uses, disclose the order of priority of such uses, as well as the amount and sources of other funds needed. Disclose also how the proceeds will be used pending their eventual utilisation for the proposed uses. Where specific uses are not known for any portion of the proceeds, disclose the general uses for which the proceeds are proposed to be applied. Where the offer is not fully underwritten on a firm commitment basis, state the minimum amount which, in the reasonable opinion of the directors or equivalent persons of the relevant entity, must be raised by the offer of securities or securities-based derivatives contracts.
-

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Company intends to use the Net Proceeds under both the Maximum Subscription Scenario and the Minimum Subscription Scenario for the following purposes:

Maximum Subscription Scenario

Use of Net Proceeds	Amount (S\$'000)	Percentage of Net Proceeds (%)
General working capital requirements of the Group	2,308	100
Total	2,308	100

Minimum Subscription Scenario

Use of Net Proceeds	Amount (S\$'000)	Percentage of Net Proceeds (%)
General working capital requirements of the Group	515	100
Total	515	100

For the avoidance of doubt, an aggregate amount of S\$264,770.51 will be set off from the outstanding amount of the CJ Loan and YPJ Loan, as set out in the section entitled “**Irrevocable Undertakings**” of the Offer Information Statement, and the balance of the Net Proceeds will be received in cash by the Company. Accordingly, the Company expects to receive Net Proceeds in cash of approximately S\$250,000 under the Minimum Subscription Scenario and approximately S\$2,043,000 under the Maximum Subscription Scenario.

Pending the deployment of the Net Proceeds for the abovementioned uses, the proceeds (or part thereof) may be deposited with financial institutions, invested in short-term money markets instruments, debt instruments and/or marketable securities, and/or used for any other purposes on a short-term basis as the Directors may, in their absolute discretion, deem appropriate in the interests of the Group.

The Company will make periodic announcements on the utilisation of the Net Proceeds as and when such proceeds are materially disbursed, and on whether such disbursements are in accordance with the stated use of proceeds. In addition, the Company will subsequently provide a status report on the use of such proceeds in its interim and full year financial results announcements and annual reports, until such time as the proceeds have been fully utilised. Where there is any material deviation from the use of proceeds described above, the Company will announce the reasons for such deviation. Where the proceeds have been used for general corporate and/or working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the Company’s announcements and annual reports.

The Rights Issue will not be underwritten. The Directors are of the opinion that there is no minimum amount that must be raised from the Rights Issue. Accordingly, the Company has decided to undertake the Rights Issue on a non-underwritten basis in view of the Irrevocable Undertakings and cost savings that it anticipates it will enjoy as a result of not having to bear any underwriting fees and commissions.

As at the date of this Offer Information Statement, the Directors are of the reasonable opinion that, barring unforeseen circumstances and after taking into consideration the Group’s present internal resources, operating cash flows, and cost-cutting measures, the working capital available to the Group is sufficient to meet its present requirements for the next 12 months.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Notwithstanding the aforesaid, the Directors are of the opinion, after taking into consideration the rationale and benefits, as well as the terms and conditions of the Rights Issue, that the Rights Issue is beneficial for and in the best interests of the Company.

In particular, the Rights Issue will strengthen the Group's financial position and provide the Group with financial flexibility in fulfilling its working capital requirements. In the event that there are any business opportunities that arise, the Group would also be in a better position to seize these opportunities in a timely manner, so as to secure the Group's competitiveness in its operating environment. The Company is also of the view that the Rights Issue provides an opportunity for Shareholders who are confident in the future prospects of the Group to subscribe for additional Shares.

The Directors confirm that the proceeds from the Rights Issue will be utilised in accordance with the purposes stated above.

4. For each dollar of the proceeds from the offer that will be raised by the relevant entity, state the estimated amount that will be allocated to each principal intended use and the estimated amount that will be used to pay for expenses incurred in connection with the offer.

The estimated Net Proceeds under the Maximum Subscription Scenario will be approximately S\$2,308,000, and under the Minimum Subscription Scenario will be approximately S\$515,000, after deducting estimated costs and expenses of approximately S\$250,000 to be incurred in connection with the Rights Issue.

The Company intends to use the proceeds raised from the Rights Issue in the following manner:

Description/ Use of Proceeds	Maximum Subscription Scenario			Minimum Subscription Scenario		
	Estimated amount (S\$'000)	Estimated amount for each dollar of gross proceeds raised from the Rights Issue (S\$)	As a percentage of gross proceeds raised from the Rights Issue (%)	Estimated amount (S\$'000)	Estimated amount for each dollar of gross proceeds raised from the Rights Issue (S\$)	As a percentage of gross proceeds raised from the Rights Issue (%)
Gross Proceeds	2,558	1.00	100	765	1.00	100

Where funds have already been expended for the acquisition, state the amount that has been paid by the relevant entity, or, if the relevant entity is the holding company or holding entity of a group, the amount that has been paid by the relevant entity or any other entity in the group as at the latest practicable date. If the asset, business or entity has been or will be acquired from an interested person of the relevant entity, identify the interested person and state how the cost to the relevant entity is or will be determined and whether the acquisition is on an arm's length basis.
-

As described in paragraph 3 of part 4 of this Offer Information Statement, the Net Proceeds raised will be applied towards the expansion and/or the working capital requirements of the Group.

As at the Latest Practicable Date, the Company has not identified any specific asset, business or entity which the Company intends to, directly or indirectly, acquire or refinance using the Net Proceeds.

As disclosed in the section entitled "*Principal Terms of the Rights Issue*", an aggregate amount of S\$264,770.51 will be set off from the outstanding amount of the CJ Loan and YPJ Loan, and the balance of the Net Proceeds will be received in cash by the Company.

Saved as disclosed above, as at the Latest Practicable Date, no portion of the Net Proceeds has been earmarked for the purposes of discharging, reducing or retiring the indebtedness of all present loans and facilities of the Group.

-

Not applicable. The Rights Issue is not underwritten and no underwriters, placement or selling agents have been appointed in relation to the Rights Issue.

Describe any other significant component of revenue or expenditure necessary to understand the profit or loss before tax for each of these financial periods.

Saved as disclosed and in this Offer Information Statement, the Directors are not aware of any significant factor, including any unusual or infrequent event or new development which materially affected the profit or loss before tax of the Group. A summary review of the operations, business and financial performance of the Group is set out below.

FY2021 compared to FY2022

On 7 October 2022, the Company and its wholly-owned Subsidiary, RDHPL, entered into 2 share purchase agreements with Lunadorii to dispose of 100% of their respective shareholding interests in SAM and CBMA, which in turn held as Subsidiaries (a) IGM Labs, and (b) TMJ and CMPL, respectively (collectively, the “**Disposed Groups**”), which fall under the healthcare systems segment. Pursuant to this disposal, the revenue and expenses of the Disposed Groups for 2022, which is based on SAM’s, CBMA’s, TMJ’s, IGM Lab’s and CMPL’s financial information from 1 January 2022 up to the latest management accounts available to the Company, being 7 October 2022, 7 October 2022, 31 August 2022, 30 June 2022 and 7 October 2022 for SAM, CBMA, TMJ, IGM and CMPL respectively prior to the disposal to Lunadorii of the Disposed Groups on 7 October 2022, have been separately classified as discontinued operations.

Revenue from continuing operations

Revenue increased by 43.4% or S\$4.97 million, from S\$11.44 million in FY2021 to S\$16.41 million in FY2022.

Revenue from the medical clinics/centres increased by S\$4.98 million, from S\$11.39 million in FY2021 to S\$16.37 million in FY2022 mainly due to an improvement in business performance of medical clinics/centres in Singapore, Hong Kong and the Philippines and an increase in revenue from the distribution of Labnovation’s COVID-19 ART Test Kits in Hong Kong and the Philippines.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Purchases from continuing operations

Purchases increased by 34.6% or S\$1.76 million, from S\$5.08 million in FY2021 to S\$6.84 million in FY2022, in line with the increase in revenue. The slower growth in purchases compared to revenue in FY2022 was due to the sourcing of products with higher margins in FY2022.

Purchases mainly comprised direct expenses incurred in processing specimens by the Philippines laboratory testing facilities or outsourced third party clinical laboratories, supplies of Labnovation's COVID-19 ART Test Kits as well as consumables and medicines used by the medical clinics/centres and renal care services.

Employee benefits expense from continuing operations

Employee benefits expense decreased by 9.7% or S\$0.66 million, from S\$6.75 million in FY2021 to S\$6.09 million in FY2022 mainly due to an absence of bonus payments made in FY2022 pursuant to the performance bonus scheme based on prior period performance in FY2021. The Company's performance bonus scheme is based on prior year performance that aims to promote higher performance goals and recognise the achievements of employees.

Depreciation expense from continuing operations

Depreciation expense decreased by 9.8% or S\$0.17 million from S\$1.64 million in FY2021 to S\$1.47 million in FY2022 mainly due to medical equipment and renovation being fully depreciated in FY2021.

Amortisation expense from continuing operations

Amortisation expense decreased by 45.5% or S\$0.05 million, from S\$0.11 million in FY2021 to S\$0.06 million in FY2022. The decrease in amortisation expense was mainly due to computer software used in the dental clinics being fully amortised in FY2022.

Other income from continuing operations

Other income decreased by 79.4% or S\$2.90 million, from S\$3.65 million in FY2021 to S\$0.75 million in FY2022 mainly due to the absence of the gain on disposal from the CBBP Disposal of S\$2.01 million recorded in FY2021, the absence of the gain on loan extinguishment of S\$0.97 million in relation to the fair value changes of the Bonds issued by the Company on 8 March 2019 and 17 May 2019 respectively subsequent to the Partial Early Redemption in October 2021 and a decrease in grant income of S\$0.21 million from government grants relating to the Jobs Support Scheme, Enterprise Singapore Grant and other grants from government agencies. These were partially offset by the gain on disposal of the Mapex Property of S\$0.08 million which was completed on 7 March 2022, and gain on disposal of the Biolidics Nil-Paid Rights of S\$0.10 million on 14 and 15 November 2022.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Fair value loss on an associate from continuing operations

The Group recorded a fair value loss on an associate amounting to S\$8.77 million in FY2022. The fair value loss on an associate was due to the decrease in the market value of the Group's interest in Biolidics, a company listed on the Catalist.

Fair value loss on derivative financial instruments from continuing operations

Fair value changes on derivative financial instruments were mainly attributable to the fair value of the Bonds issued by the Company as well as the fair value of the call options on Preference Shares issued by CBMG (namely, the **"Exchange Option"**).

The Group recorded a fair value loss on derivative financial instruments of S\$0.76 million in FY2022, compared to a loss of S\$3.50 million in FY2021 due to an increase in fair value gain on the Bonds issued by the Company of S\$0.43 million and the derecognition of the call options granted by Seeds Capital Pte Ltd (**"Seeds Capital"**) to the Group in respect of Seed Capital's 9.75% interests in Biolidics which expired on 28 May 2021 of S\$2.75 million in FY2021.

These were partially offset by the increase in fair value loss on the Exchange Option of S\$0.37 million and the absence in FY2022 of the fair value gain on the convertible bonds issued by CBBP to Seeds Capital of S\$0.07 million in FY2021.

The fair value of the Bonds and the Exchange Option was arrived at based on an option pricing model which took into account, *inter alia*, the fair value of the Company as well as volatilities in the valuation of comparable companies.

Reversal of expected loss on trade and other receivables, net

The net reversal of expected credit losses of S\$0.51 million is mainly due to the reversal of provision of S\$0.55 million for expected credit losses made in FY2021 on other receivables due from Biolidics which pertained to the deferred consideration for the disposal of BLPL in FY2020, as a result of the partial settlement of S\$0.55 million in cash made by Biolidics in FY2022.

Other operating expenses from continuing operations

Other operating expenses increased by 24.7% or S\$0.80 million, from S\$3.25 million in FY2021 to S\$4.05 million in FY2022. This was mainly due to (i) an increase of S\$0.36 million in travelling expenses incurred by the Group, (ii) an increase in value-added tax payment, advertising expenses and licensing expenses in relation to the distribution of Labnovation's COVID-19 ART Test Kits of S\$0.45 million recorded by the Group, (iii) an increase in rental expenses of S\$0.11 million in relation to a short-term lease recorded by a dental clinic, (iv) impairment of plant and equipment recorded by the Group's Subsidiaries in the Philippines in FY2022 of S\$0.13 million, and (v) an increase in trade and other receivables written off recorded by Hong Kong and the Philippines in aggregate of S\$0.07 million.

The increases were partially offset by a decrease in inventories written off of S\$0.51 million arising from the COVID-19 Antibody Test Kits.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Finance costs from continuing operations

The Group's finance costs comprise mainly interest expense incurred on bank loans, lease liabilities and the Bonds. Finance costs decreased by 49.7% or S\$0.85 million, from S\$1.72 million in FY2021 to S\$0.87 million in FY2022 mainly due to a decrease in interest expense incurred on the bank loans taken up by the Group for its acquisitions and working capital purpose as some of the bank loans were fully repaid in FY2022 and decrease in interest charged on the Bonds issued by the Company due to the Partial Early Redemption in October 2021.

Income tax expense from continuing operations

Income tax expense decreased by 40.6% or S\$0.13 million, from S\$0.32 million in FY2021 to S\$0.19 million in FY2022. The decrease in income tax expense was mainly due to higher income tax expenses recognised by medical centres in the Philippines in FY2021 as a result of under-provision in prior years.

Loss for the year from continuing operations

As a result of the foregoing, the Group recorded a loss of S\$11.43 million in FY2022 as compared to a loss of S\$13.89 million in FY2021, from continuing operations.

Excluding the abovementioned gain on disposal of a subsidiary group, fair value losses on an associate and derivative financial instruments, the loss before taxation from continuing operations recorded by the Group would have been S\$1.71 million in FY2022 as compared to a loss before taxation from continuing operations of S\$5.47 million in FY2021.

Net gain from discontinued operations

Discontinued operations recorded a net gain of S\$0.95 million in FY2022 as compared to a net loss of S\$4.26 million in FY2021, which was main due to the gain on disposal of the Disposed Groups of S\$2.30 million recorded in FY2022. This was partially offset by the decrease in losses of S\$2.89 million from the results of operations of the Disposed Groups, from S\$4.26 million in FY2021 to S\$1.37 million in FY2022, because the results of operations of the Disposed Groups being consolidated for FY2022 is based on SAM's, CBMA's, TMJ's, IGM Lab's and CMPL's financial information from 1 January 2022 up to the latest management accounts available to the Company, being 7 October 2022, 7 October 2022, 31 August 2022, 30 June 2022 and 7 October 2022 for SAM, CBMA, TMJ, IGM Lab and CMPL respectively, prior to the disposal to Lunadorii of the Disposed Groups on 7 October 2022, as compared to the 1 year consolidated results of operations of the Disposed Groups in FY2021.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

FY2022 compared to FY2023

Revenue from continuing operations

Revenue decreased by 30.0% or S\$4.92 million, from S\$16.41 million in FY2022 to S\$11.49 million in FY2023.

Revenue from the medical clinics/centres decreased by S\$4.92 million, from S\$16.37 million in FY2022 to S\$11.45 million in FY2023 mainly due to a decrease in revenue from the distribution of Labnovation's COVID-19 ART Test Kits in Hong Kong and Philippines and a decrease in revenue from the medical clinics/centres in Singapore and the Philippines for the provision of general medical, dental and clinical services and distribution of medical and pharmaceutical products.

Excluding the revenue from the distribution of Labnovation's COVID-19 ART Test Kits in FY2022 and FY2023, the revenue from recurring services provided by the medical clinics/centres decreased by 9.3% or S\$1.10 million, from S\$11.88 million in FY2022 to S\$10.78 million in FY2023.

Purchases from continuing operations

Purchases decreased by 21.1% or S\$1.44 million, from S\$6.84 million in FY2022 to S\$5.40 million in FY2023, in line with the decrease in revenue. Purchases decreased at a lower rate than the decline in revenue mainly because of the increase in the costs of medical supplies.

Purchases mainly comprised direct expenses incurred in processing specimens by the Philippines laboratory testing facilities or outsourced third party clinical laboratories, supplies of Labnovation's COVID-19 ART Test Kits as well as consumables and medicines used by the medical clinics/centres and renal care services.

Employee benefits expense from continuing operations

Employee benefits expense remained relatively stable at S\$5.98 million and S\$6.09 million in FY2023 and FY2022 respectively.

Depreciation expense from continuing operations

Depreciation expense decreased by 8.2% or S\$0.12 million, from S\$1.47 million in FY2022 to S\$1.35 million in FY2023 mainly due to certain medical equipment, renovation and motor vehicle being fully depreciated.

Amortisation expense from continuing operations

Amortisation expense decreased by 88.3% or S\$0.05 million, from S\$0.06 million in FY2022 to approximately S\$7,000 in FY2023 due to most of the existing computer software being fully depreciated.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Other income from continuing operations

Other income decreased by 21.8% or S\$0.16 million, from S\$0.75 million in FY2022 to S\$0.59 million in FY2023 mainly due to (a) the absence of the net proceeds of S\$0.10 million from the disposal of the Biolidics Nil-Paid Rights in FY2022, (b) the absence of the income of S\$0.18 million from the sub-lease of certain clinic spaces in FY2022, and (c) a decrease in government grant income of S\$0.12 million. These were partially offset by the fair value adjustment of the Bonds issued by the Company in March and May 2019 of S\$0.23 million arising from extension of the Maturity Date of the Bonds from 8 March 2024 and 17 May 2024 to 8 September 2025 and 17 November 2025 respectively.

Fair value loss on other investment at FVTPL/an associate from continuing operations

The Group recorded a fair value loss on investment in ordinary shares in the capital of Biolidics amounting to S\$0.15 million in FY2023, as compared to S\$8.77 million in FY2022. The decrease in fair value loss was due to a slower drop in the market value of the Group's interest in Biolidics in FY2023, as compared to FY2022. As at 31 December 2023, the Group no longer holds any shares in Biolidics.

Fair value loss on derivative financial instruments from continuing operations

Fair value changes on derivative financial instruments were mainly attributable to the fair value changes of the Lunadorii Bonds, the fair value changes of the Bonds issued by the Company as well as the fair value changes of the Exchange Option.

The Group recorded a fair value loss on derivative financial instruments of S\$9.72 million in FY2023, as compared to a fair value loss of S\$0.76 million in FY2022, mainly due to a fair value loss of S\$9.69 million recognised by the Group on the Lunadorii Bonds. This fair value loss on the Lunadorii Bonds is based on the Group's understanding from the Purchaser of the difficulties that the Purchaser is facing in obtaining operational control of the Indonesian businesses of SAM, CBMA and their respective Subsidiaries, which Biolidics is addressing through the legal process in Indonesia.

Impairment loss on goodwill

Impairment losses of S\$10.37 million were incurred from a reduction in the estimated recoverable value of the Group's goodwill, from S\$21.30 million to S\$10.93 million, from previously acquired assets. This was determined based on the value-in-use of the cash generating unit to which the goodwill is attributed. These impairment losses were attributed to the decrease in the financial performance of the medical clinics/centres segment in FY2023, as a result of a decrease in revenue from the distribution of Labnovation's COVID-19 ART Test Kits in Hong Kong and the Philippines and a decrease in revenue from the medical clinics/centres in Singapore and the Philippines for the provision of general medical, dental and clinical services and distribution of medical and pharmaceutical products. This decrease in revenue had a negative impact on the projected future cash flows of the medical clinics/centres segment.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Expected credit loss/(Reversal of expected credit loss) on trade and other receivable, net

Allowance for expected credit losses of S\$9.23 million mainly arising from a reduction in the entire recoverable value of the receivables of S\$11.88 million owing by SAM and CBMA in relation to the funding of the working capital of SAM, CBMA and their respective Subsidiaries by the Group prior to the disposal of the Disposed Groups. The reduction in the recoverable value of the receivables was due to the increase in credit risk and default risk by SAM and CBMA based on the Group's understanding from Biolidics of the difficulties that Biolidics is facing in obtaining operational control of the Indonesian businesses of SAM, CBMA and their respective Subsidiaries, which the Purchaser is addressing through the legal process in Indonesia.

The above was partially offset by a reversal of impairment on other receivable of S\$2.69 million from the sale of the entire issued and paid-up ordinary share capital of BLPL in FY2020 to Biolidics, as announced by the Company on 23 and 30 November 2023 which was previously impaired and subsequently received during FY2023.

Other operating expenses from continuing operations

Other operating expenses decreased by 13.8% or S\$0.56 million, from S\$4.05 million in FY2022 to S\$3.49 million in FY2023. This was mainly due to an absence of impairment of fixed assets of S\$0.12 million in FY2022, a decrease in audit fees of S\$0.09 million, a decrease in fees for licenses and permit of S\$0.10 million, a decrease in expenses on penalties of S\$0.09 million, and a decrease in exchange loss of S\$0.16 million.

Finance costs from continuing operations

The Group's finance costs comprised mainly interest expense incurred on bank loans, lease liabilities and the Convertible Bonds. Finance costs decreased by 12.8% or S\$0.11 million, from S\$0.87 million in FY2022 to S\$0.76 million in FY2023 mainly due to a decrease in interest expense incurred on the bank loans taken up by the Group for working capital purpose as some of the bank loans were fully repaid in FY2022.

Income tax expense from continuing operations

The Group incurred income tax credit of S\$1.90 million in FY2023, as compared to an income tax expense of S\$0.19 million in FY2022. The income tax credit recognised arose from the reversal of deferred tax liabilities in relation to fair value gain on derivative financial instrument recognised by the Group.

Loss for the year from continuing operations

As a result of the foregoing, the Group recorded a loss of S\$32.47 million in FY2023, as compared to a loss of S\$11.43 million in FY2022, from continuing operations.

Excluding the abovementioned fair value losses on other investment at FVTPL/an associate, fair value losses on derivative financial instruments, allowance for credit losses and reversal of impairment on trade and other receivables, and impairment losses on goodwill, the loss before taxation from continuing operations recorded by the Group would have been S\$4.90 million in FY2023, as compared to a loss before taxation of S\$2.21 million in FY2022.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

9M2023 compared to 9M2024

Revenue

Revenue decreased by 18.4% or S\$1.60 million, from S\$8.69 million in 9M2023 to S\$7.09 million in 9M2024.

Revenue from the medical clinics/centres decreased by S\$1.58 million, from S\$8.66 million in 9M2023 to S\$7.08 million in 9M2024 mainly due to the reduction in revenue from the distribution of Labnovation's COVID-19 ART Test Kits in Philippines and lower revenue from the medical clinics/centres in Singapore and Hong Kong for the provision of general medical, dental and clinical services and distribution of medical and pharmaceutical products.

Excluding the revenue from the distribution of Labnovation's COVID-19 ART Test Kits in 9M2023 and 9M2024, the revenue from services provided by the medical clinics/centres decreased by S\$0.92 million, from S\$8.0 million in 9M2023 to S\$7.08 million in 9M2024.

Purchases

Purchases decreased by 3.9% or S\$0.1 million, from S\$3.93 million in 9M2023 to S\$3.77 million in 9M2024, in line with the decrease in revenue. Purchases decreased at a lower rate than the decline in revenue mainly because of the increase in costs of medical supplies and services provided by laboratories.

Purchases mainly comprised direct expenses incurred in processing specimens by the Philippines laboratory testing facilities or outsourced third party clinical laboratories, supplies of Labnovation's COVID-19 ART Test Kits as well as consumables and medicines used by the medical clinics/centres and renal care services.

Employee benefits expense

Employee benefits expense decreased by 20.4% or S\$0.98 million from S\$4.79 million in 9M2023 to S\$3.81 million in 9M2024 mainly due to fewer head count in 9M2024 as a result of the Group's cost saving measure.

Depreciation expense

Depreciation expense increased by 10.0% or S\$0.09 million, from S\$0.92 million in 9M2023 to S\$1.01 million in 9M2024 mainly due to increase in depreciation charge of right-of-use assets in 9M2024.

Amortisation expense

Amortisation expense decreased by 50% or S\$3,000 from approximately S\$6,000 in 9M2023 to approximately S\$3,000 in 9M2024 due to most of the existing computer software being fully depreciated in 9M2024.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Other income

Other income decreased by 44.7% or S\$0.22 million, from S\$0.50 million in 9M2023 to S\$0.28 million in 9M2024 mainly due to (a) the absence of fair value adjustment of the Convertible Bonds arising from extension of maturity date of Convertible Bonds, fair value adjustment on contingent consideration for business combinations, and gain on modification of deferred consideration of S\$0.23 million, S\$0.05 million and S\$0.02 million respectively, and (b) a decrease in interest income of S\$0.02 million. The decrease in other income was offset by an increase in grant income of S\$0.1 million.

Fair value loss on other investment at FVTPL

The Group recorded a fair value loss on investment in ordinary shares in the capital of Biolidics Limited (“Biolidics”) amounting to S\$0.15 million in 9M2023, which was due to the decrease in the market value of the Group’s interest in Biolidics as at 30 September 2023. The Group’s holdings in Biolidics were fully disposed in FY2023. As such, no such items were recorded in 9M2024.

Fair value gain/(loss) on derivative financial instruments

Fair value changes on derivative financial instruments were mainly attributable to the fair value of the Convertible Bonds issued by the Company as well as the fair value of the call options on convertible preference shares issued by Clearbridge Medical Group Pte. Ltd. (“CBMG Call Option”).

The fair value gain on derivative financial instruments increased by S\$15,000 from S\$4,000 in 9M2023 to S\$19,000 in 9M2024.

The fair value of the Convertible Bonds and the CBMG Call Option was arrived at based on an option pricing model which took into account, among others, the fair value of the Company as well as volatilities in the valuation of comparable companies.

Reversal of expected credit loss on other receivable, net

The Group recorded a net reversal of expected credit loss on other receivable amounting to S\$0.52 million in 9M2023 mainly arising from repayment of deferred consideration from Biolidics. No such items were recorded in 9M2024.

Other operating expenses

Other operating expenses decreased by 22.3% or S\$0.57 million, from S\$2.54 million in 9M2023 to S\$1.97 million in 9M2024. The decrease was mainly due to (i) a decrease in travelling expenses of S\$0.15 million, (ii) a decrease in insurance expenses of S\$0.06 million, (iii) a decrease in recruitment expenses of S\$0.05 million, (iv) a reduction in inventory written off of S\$0.07 million, (v) a decrease in bad debts written off of S\$0.03 million, and (vi) a decrease in rental expenses of S\$0.14 million mainly due to the reclassification of long term lease from rental expenses to lease liabilities. The decrease in other operating expenses was partially offset by an increase in marketing cost of S\$0.07 million for promotion of new healthcare products in Hong Kong, and an increase in foreign exchange loss of S\$0.05 million.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Finance costs

The Group's finance costs comprised mainly interest expense incurred on bank loans, lease liabilities and the Convertible Bonds. Finance costs remained relatively stable at S\$0.57 million and S\$0.52 million in 9M2023 and 9M2024 respectively.

Income tax expense

The Group recognised an income tax expense of S\$0.06 million in 9M2024, compared to an income tax credit of S\$0.1 million in 9M2023. The income tax credit in 9M2023 primarily arose from the reversal of deferred tax expense in relation to fair value gain on derivative financial instruments recognised by the Group.

Loss for the period

As a result of the foregoing, the Group recorded a loss of S\$3.76 million in 9M2024 as compared to a loss of S\$3.09 million in 9M2023.

Excluding the abovementioned fair value losses on other investment at FVTPL, fair value gain/(loss) on derivative financial instruments and reversal of loss allowance on other receivable, the loss before taxation recorded by the Group would have been S\$3.72 million in 9M2024 as compared to a loss before taxation of S\$3.57 million in 9M2023.

A summary of the review of the cash flow position of the Group is set out below.

FY2023

Cash outflow before changes in working capital for FY2023 amounted to S\$3.01 million. Net cash used in working capital for FY2023 amounted to S\$0.14 million mainly due to decrease in other payables of S\$0.42 million, an increase in trade receivables of S\$0.15 million, an increase in inventories of S\$0.03 million and partially offset by an increase in trade payables of S\$0.30 million, a decrease in prepayments of S\$0.12 million and a decrease in other receivables of S\$0.04 million.

As a result, net cash used in operating activities after adjusting for cash paid for income tax, interest expense and interest received, amounted to S\$3.57 million in FY2023.

Net cash generated from investing activities for FY2023 amounted to S\$3.07 million. This was mainly due to cash proceeds received from Biolidics of S\$2.69 million for the repayment of the deferred consideration owing by Biolidics, from the sale of the entire issued and paid-up ordinary share capital of BLPL in FY2020 to Biolidics and proceeds of S\$0.93 million from disposal of all the shares in Biolidics. These were partially offset by a capital expenditure of S\$0.42 million and acquisition of right-of-use assets of S\$0.13 million incurred by the medical clinics/centres in the Philippines, Singapore and Hong Kong.

Net cash used in financing activities for FY2023 amounted to S\$1.88 million which was attributable to the repayment of bank loans and lease liabilities of S\$0.91 million and S\$0.97 million respectively.

As a result, after adjusting for the effects of foreign exchange rate changes, there was a net decrease in cash and cash equivalents of S\$2.38 million, from S\$6.05 million as at 31 December 2022 to S\$3.67 million as at 31 December 2023.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

9M2024

Cash outflow before changes in working capital for 9M2024 amounted to S\$2.17 million. Net cash used in working capital for 9M2024 amounted to S\$0.28 million mainly due to an increase in trade receivables of S\$0.43 million, an increase in inventories of S\$0.21 million, an increase in other receivable of S\$0.01 million and a decrease in other payables of S\$0.01 million. This is partially offset by a decrease in prepayments of S\$0.03 million and an increase in trade payables of S\$0.35 million.

As a result, net cash used in operating activities after adjusting for cash paid for income tax, interest expense and interest received, amounted to S\$2.61 million in 9M2024.

Net cash generated from investing activities for 9M2024 amounted to S\$1.02 million. This was mainly due to cash proceeds received from disposal of other investment at FVOCI of S\$1.16 million, and this was partially offset by a capital expenditure of S\$0.14 million incurred by the medical clinics/centres in the Philippines, Singapore, and Hong Kong.

Net cash used in financing activities for 9M2024 amounted to S\$1.47 million which was attributable to the repayment of bank loans and lease liabilities of S\$0.70 million and S\$0.77 million respectively.

As a result, after adjusting for the effects of foreign exchange rate changes, there was a net decrease in cash and cash equivalents of S\$3.08 million, from S\$3.67 million as at 31 December 2023 to S\$0.59 million as at 30 September 2024.

- 8. Provide a statement by the directors or equivalent persons of the relevant entity as to whether, in their reasonable opinion, the working capital available to the relevant entity or, if it is the holding company or holding entity of a group, to the group, as at the date of lodgement of the offer information statement, is sufficient for at least the next 12 months and, if insufficient, how the additional working capital considered by the directors or equivalent persons to be necessary is proposed to be provided. When ascertaining whether working capital is sufficient, any financing facilities which are not available as at the date of lodgement of the prospectus must not be included, but net proceeds from the offer may be taken into account if the offer is fully underwritten. Where the offer is not fully underwritten, minimum net proceeds may be included only if it is an express condition of the offer that minimum net proceeds are to be raised and that the application monies will be returned to investors if the minimum net proceeds are not raised.**
-

As at the date of this Offer Information Statement, the Directors are of the reasonable opinion that, barring unforeseen circumstances and after taking into consideration the Group's present internal resources, operating cash flows and cost-cutting measures, the working capital available to the Group is sufficient to meet its present requirements for the next 12 months.

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

The Rights Issue will not be underwritten. The Directors are of the opinion that there is no minimum amount that must be raised from the Rights Issue. Accordingly, the Company has decided to undertake the Rights Issue on a non-underwritten basis in view of the Irrevocable Undertakings and cost savings that it anticipates it will enjoy as a result of not having to bear any underwriting fees and commissions.

-
- 9. If the relevant entity or any other entity in the group is in breach of any of the terms and conditions or covenants associated with any credit arrangement or bank loan which could materially affect the relevant entity's financial position and results or business operations, or the investments by holders of securities or securities-based derivatives contracts in the relevant entity, provide –**
- (a) a statement of that fact;**
 - (b) details of the credit arrangement or bank loan; and**
 - (c) any action taken or to be taken by the relevant entity or other entity in the group, as the case may be, to rectify the situation (including the status of any restructuring negotiations or agreement, if applicable).**

- (a) the business and financial prospects of the relevant entity or, if it is the holding company or holding entity of a group, the group, for the next 12 months from the latest practicable date; and**
 - (b) any known trends, uncertainties, demands, commitments or events that are reasonably likely to have a material effect on net sales or revenues, profitability, liquidity or capital resources for at least the current financial year, or that may cause financial information disclosed in the offer information statement to be not necessarily indicative of the future operating results or financial condition. If there are no such trends, uncertainties, demands, commitments or events, provide an appropriate statement to that effect.**

DISCLOSURE REQUIREMENTS UNDER THE SIXTEENTH SCHEDULE OF THE SECURITIES AND FUTURES (OFFERS OF INVESTMENTS) (SECURITIES AND SECURITIES-BASED DERIVATIVES CONTRACTS) REGULATIONS 2018

Save as disclosed below and in this Offer Information Statement, the Company's annual reports, circulars and announcements published via SGXNet on the SGX's website, and barring unforeseen circumstances, the Directors are not aware of any trends, uncertainties, demands, commitments or events which are reasonably likely to have a material effect on net sales or revenues, profitability, liquidity or capital resources for at least the current financial year, or that may cause financial information disclosed in this Offer Information Statement to be not necessarily indicative of the future operating results or financial condition, of the Group.

Business and financial prospects of the Group for the next 12 months

In 9M2024, the Group recorded a decline in the Group's financial performance. The Group's current operating environment has become increasingly competitive, such as the market for the distribution of the Group's products becoming increasingly more competitive, with increasing costs, as more technologies and products enter into the market. The Group has also faced headwinds in connection with operation of medical clinics and centres in Singapore and Philippines due to, amongst others, increased competition and costs in these spaces. In the Philippines, the Philippine Health Insurance Corporation (PhilHealth) Board has approved an increase in reimbursement benefits for the renal care patients in June 2024⁴, reducing the upfront payments required from these patients to be made to the Group, which will likely result in constrained cash flows for the Group. The Group will continue to monitor this development.

In this regard, although the global outlook is showing signs of improvement with the moderating of inflation rates, the slow growth and tight consumer spending may continue to impact the consumption of the products and services the Group provides. Additionally, persistently high inflation may raise the cost of goods for the Group and negatively impact the profit margins. The Organisation for Economic Co-operation and Development reported on 2 May 2024⁵ that it projects global growth to be 3.1% and 3.2% in 2024 and 2025 respectively, which is well below the average growth rate in the decade preceding the COVID-19 pandemic. Further, they noted that inflation, while moderating, remains high and persistent and the negative impact it will have on growth prospects. In Singapore, the Monetary Authority of Singapore and the Ministry of Trade and Industry of Singapore have jointly reported similar issues, in a press release dated 24 June 2024⁶. The press release also highlighted risks, such as potential geopolitical shocks and transportation disruptions. The Group continues to monitor this development and will adapt its strategies accordingly.

The Group is currently evaluating its options to preserve value for the Group and if need be, undertake certain corporate exercises to restructure its businesses and operations to achieve sustainability. The Group will also continue to explore suitable opportunities to expand its business regionally through organic expansion, investments, mergers and acquisitions, joint ventures and/or strategic collaborations.

PLAN OF DISTRIBUTION

6. **Indicate the amount, and outline briefly the plan of distribution, of the securities or securities-based derivatives contracts that are to be offered otherwise than through underwriters. If the securities or securities-based derivatives contracts are to be offered through the selling efforts of any broker or dealer, describe the plan of distribution and the terms of any agreement or understanding with such entities. If known, identify each broker or dealer that will participate in the offer and state the amount to be offered through each broker or dealer.**
-

The Rights Issue will be made on a renounceable non-underwritten basis by the Company to all Entitled Shareholders, with up to 1,279,125,560 Rights Shares to be issued at the Issue Price, on the basis of two (2) Rights Shares for every one (1) existing Share held by Entitled Shareholders as at the Record Date, fractional entitlements to be disregarded.

Entitled Shareholders are at liberty to accept (in full or in part), decline, renounce or in the case of Entitled Depositors only, trade (during the provisional allotment trading period prescribed by SGX-ST) their provisional allotments of Rights Shares on Catalist and are eligible to apply for Excess Rights Shares in excess of their provisional allotments under the Rights Issue.

The basis of allotting any Excess Rights Shares will be determined at the absolute discretion of the Directors. In the allotment of Excess Rights Shares, preference will be given to the rounding of odd lots, and the Directors and the Substantial Shareholders who have Control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company will also not make any allotment and issuance of any Excess Rights Shares that will result in a transfer of Controlling Interest in the Company unless otherwise approved by Shareholders in a general meeting. For the avoidance of doubt, only Entitled Shareholders (and not the Purchasers or the Renounees) shall be entitled to apply for Excess Rights Shares in excess of their provisional allotments.

Fractional entitlements to the Rights Shares will be disregarded in arriving at the Entitled Shareholders' respective "nil-paid" rights and will, together with the "nil-paid" rights which are not taken up or allotted for any reason, be aggregated and used to satisfy excess applications for Rights Shares (if any) or otherwise disposed of or dealt with in such manner as the Directors may in their absolute discretion deem fit in the best interests of the Company.

Depending on the level of subscription for the Rights Shares, the Company may, if necessary and upon the approval of the Sponsor and/or the SGX-ST, scale down the subscription for the Rights Shares and/or excess application by any Shareholder to the extent necessary to avoid placing such Shareholder and parties acting in concert with him in the position of incurring an obligation to make a mandatory general offer for the Shares under the Code as a result of other Shareholders not taking up their provisional allotments of the Rights Shares entitlement fully; or to avoid the transfer of a Controlling Interest in the Company, which is prohibited under Rule 803 of the Catalist Rules.

A review of the working capital of the Group for the relevant periods are set out below:

Please note that all numerical figures are approximate as they have been rounded to the nearest thousand.

As at 31 December 2021 compared to as at 31 December 2022

Current assets

The Group's current assets decreased by 65.2% or S\$20.28 million, from S\$31.11 million as at 31 December 2021 to S\$10.83 million as at 31 December 2022. This was mainly due to (i) a decrease in cash and bank balances of S\$8.50 million as a result of the repayment of bank loans and contingent consideration paid to the vendor of the 9 dental clinics under the terms of the acquisition (as announced on 24 May 2019) which was completed on 29 August 2019, for achieving the target net profits after taxation for the 36-month period after acquisition, (ii) a decrease in trade and other receivables of S\$8.23 million due to the disposal of the Disposed Groups, (iii) a decrease in assets held for sale of S\$2.01 million due to the sale of the Mapex Property which was completed on 7 March 2022, and (iv) a decrease in derivative financial instruments of S\$1.06 million mainly due to fair value loss recognised in respect of the Exchange Option.

Current liabilities

The Group's current liabilities decreased by 70.4% or S\$12.12 million, from S\$17.22 million as at 31 December 2021 to S\$5.10 million as at 31 December 2022. This was mainly due to (i) a decrease in trade and other payables of S\$7.23 million due to the disposal of the Disposed Groups, (ii) a decrease in borrowings of S\$4.83 million due to repayment of bank loans, and (iii) a decrease in lease liabilities of S\$0.14 million.

ADDITIONAL DISCLOSURE REQUIREMENTS FOR THE RIGHTS ISSUE UNDER APPENDIX 8A OF THE CATALIST RULES

As at 31 December 2022 compared to as at 31 December 2023

Current assets

The Group's current assets decreased by 21.4% or S\$2.32 million, from S\$10.83 million as at 31 December 2022 to S\$8.51 million as at 31 December 2023. This was mainly due to a decrease in cash and bank balances of S\$2.38 million which were mainly used for the Group's operations and a decrease in other receivables of S\$0.60 million. These were partially offset by an increase in other investment of S\$0.81 million mainly due to reclassification of other investment relating to the Group's holding of SIAMH Shares from non-current assets to current assets.

Current liabilities

The Group's current liabilities decreased by 3.7% or S\$0.19 million, from S\$5.10 million as at 31 December 2022 to S\$4.91 million as at 31 December 2023. This was mainly due to (i) a decrease of S\$0.41 million in contract liabilities recognised as revenue upon the fulfilment of the performance obligations in relation to the advances received from the Group's customers, (ii) a decrease in borrowings of S\$0.23 million due to the repayment of bank loans, (iii) a decrease in income tax payable of S\$0.14 million, and (iv) a decrease in other payables of S\$0.02 million mainly due to decrease in accrued expenses. These were partially offset by an increase in lease liabilities of S\$0.31 million and increase in trade payables of S\$0.30 million.

As at 31 December 2023 compared to as at 30 September 2024

Current assets

The Group's current assets decreased by 47.2% or S\$4.01 million, from S\$8.51 million as at 31 December 2023 to S\$4.50 million as at 30 September 2024. This was mainly due to (i) a decrease in cash and bank balances of S\$3.08 million which were mainly used for the Group's operating and financing activities in 9M2024, (ii) a decrease in other receivables of S\$0.72 million due to collection received during the period, and (iii) disposal of other investments at FVOCI of S\$0.81 million. The reduction in current assets was partially offset by an increase in trade receivables of S\$0.43 million as a result of an increase in reimbursement benefits provided by the Philippines' government to the renal care patients from July 2024, reducing the upfront payments made to the Group by these patients and an increase in trade receivables relating to the new healthcare products in Hong Kong.

Current liabilities

The Group's current liabilities increased by 54.7% or S\$2.69 million, from S\$4.91 million as at 31 December 2023 to S\$7.60 million as at 30 September 2024. This was mainly due to (i) the reclassification of S\$3.08 million of Convertible Bonds from non-current liabilities to current liabilities as they are repayable within the next 12 months from 30 September 2024, and (ii) an increase in trade payables due to improved cash management. The increase in current liabilities was partially offset by the repayment of bank borrowings and lease liabilities in 9M2024.

APPENDIX I – RISK FACTORS

To the best of the Directors' knowledge and belief, the risk factors that are material to Entitled Shareholders and prospective investors in making an informed judgement on the Rights Issue (save for those which have already been disclosed to the general public) are set out below and in Paragraph 10 of Part 5 of the section entitled "*Sixteenth Schedule of the Securities and Futures (Offers of Investments) (Securities and Securities-based Derivatives Contracts) Regulations 2018*" of this Offer Information Statement which sets out the trends, uncertainties, demands, commitments, events, factors and risks. Entitled Shareholders and prospective investors should carefully consider and evaluate each of the following risks and all other information contained in this Offer Information Statement before making an investment decision.

The risks described below are not intended to be exhaustive. In addition to the risks described below, the Group could be affected by risks relating to the industries and countries in which the Group operates as well as those that may generally arise from, among others, economic, business, market and political factors. In addition, there may be additional risks not presently known to the Group, or that the Group currently deems immaterial, but which could affect its operations, possibly materially. If any of the following risks and uncertainties develops into actual events, the business, results of operations, financial condition and prospects of the Group could be materially and adversely affected. In that event, the market price of the Shares and/or the Rights Shares could decline, and investors may lose all or part of their investment in the Shares and/or the Rights Shares. Before deciding to invest in the Shares and/or the Rights Shares, you should seek professional advice from your adviser(s) about your particular circumstances.

RISKS RELATING TO THE GROUP'S BUSINESS AND INDUSTRY

(A) The Group's performance will be subject to exposure to macro-economic risks

The markets in which the Group operates or invests in could be affected by many factors which are beyond the Group's control. Any of the following factors may cause fluctuations and/or declines in the markets in which the Group operates or invests:

- (1) legal and regulatory changes;
- (2) government policies;
- (3) economic and political conditions;
- (4) concerns about natural disasters, pandemic outbreaks, terrorism and war;
- (5) the level and volatility of liquidity and risk aversion;
- (6) the level and volatility of equity, debt, property, commodity and other financial markets;
- (7) the level and volatility of interest rates and foreign currency exchange rates;
- (8) concerns over inflation; and
- (9) changes in investor confidence levels.

Any of the above mentioned factors could adversely affect the Group's business, operations, financial performance and/or financial position.

APPENDIX I – RISK FACTORS

Unexpected changes in regulatory requirements, difficulties in staffing and managing foreign operations, social and political instability, fluctuations in currency exchange rates, potentially adverse tax consequences, legal uncertainty regarding liability, tariffs and other trade barriers, variable and unexpected changes in local law and barriers to the repatriation of capital or profits, any of which could materially affect the overseas operations of the Group. These risks may affect the Group's business and financial condition. In addition, if the governments in the jurisdictions which the Group is currently operating in or where it intends to operate in tighten or otherwise change their laws and regulations relating to the repatriation of their local currency, it may adversely affect the ability of the Group's overseas operations to repatriate profits to the Group and, accordingly, the cash flow of the Group may be adversely affected.

(B) The Group may be exposed to changing healthcare trends within the industry

The healthcare industry requires the Group to closely monitor the trends in the market and the needs of the consumers, which may require the introduction of new products, technologies, devices, solutions, service categories and treatment procedures to enhance existing services and procedures. There is a need to ensure that the Group is accessing the latest technology quickly and cost-effectively responding to the consumers' changing needs.

The Group may be required to incur development and acquisition costs to keep pace with new technologies. Failure to identify, develop and introduce new products, technologies, devices, solutions, service categories and products and treatment procedures in a timely and cost-effective basis may result in a decrease in demand for the services and the Group may not be able to compete effectively or attract consumers, which may materially and adversely affect its business and results of operations.

(C) The Group may be subject to various regulations and licensing requirements within the healthcare industry

The healthcare industry is highly regulated. The Group's healthcare professionals are subject to laws and regulations governing, among others, the conduct of business operations, quality of facilities, equipment and services, qualifications of healthcare professionals and confidentiality and use of health-related information and medical records.

Compliance with regulatory standards often requires significant time, money, resources and record-keeping and quality assurance efforts and will subject the Group and the third parties the Group works with from time to time to potential regulatory inspections. If the courts or regulatory authorities hold the Group to be in violation of any laws or regulations, including conditions in the licences, permits and accreditations required for the Group's operations, the Group may have to pay fines and/or be subject to other penalties, including the revocation of such licences and permits, modify, suspend or discontinue the Group's operations, incur additional operating costs or make capital expenditures.

Further, regulatory authorities may exercise broad discretion in varying or introducing new licensing requirements. Any changes to the existing laws and regulations may require the Group to apply for new approvals, licences and/or permits and there is no assurance that the Group will be able to obtain these new approvals, licences and/or permits. In the event that the Group is unable to obtain or renew the requisite approvals, licences and/or permits, or such approvals, licences and/or permits are withdrawn, the Group may be required by the relevant regulatory authorities to cease operations and the business, financial condition and results of operations of the Group may be adversely affected.

APPENDIX I – RISK FACTORS

(D) The Group may be required to comply with applicable health, safety, environmental and other governmental regulations that may be costly

The Group is subject to national and local laws, rules and regulations in the countries which it operates, governing, among other things:

- (1) the conduct of the Group's operations;
- (2) additions to facilities and services;
- (3) the adequacy of medical care;
- (4) the quality of medical facilities, equipment and services;
- (5) the purchase of medications and pharmaceutical drugs;
- (6) the noise pollution, discharge of pollutants to air and water and handling and disposal of bio-medical, radioactive and other hazardous waste;
- (7) the confidentiality, maintenance and security issues associated with health-related information and medical records; and
- (8) the screening, stabilisation and transfer of patients who have emergency medical conditions.

The ownership and operation of the Group's business in the future carry an inherent risk of liability related to employee and customer health and safety, including the risk of government-imposed orders to address hygiene and contamination related concerns, potential penalties for contravention of health, safety and environmental laws, licenses, permits and other approvals, and potential civil liability.

Health, safety and environmental laws and regulations in the countries in which the Group operates are stringent and it is possible that they will become significantly more stringent in the future. Compliance with health, safety and environmental laws (and any future changes) and the requirements of licenses, permits and other approvals will remain material to the healthcare business of the Group ("**Healthcare Business**"). The Group will incur significant capital and operating expenditures to comply with health, safety and environmental laws and to obtain and comply with licenses, permits and other approvals and to assess and manage its potential liability exposure. Nevertheless, the Group may become subject to government orders, investigations, inquiries or other proceedings (including civil claims) relating to health, safety and environmental matters. The occurrence of any of these events or any changes, additions to or more rigorous enforcement of health, safety and environmental laws, licenses, permits or other approvals could have a significant impact on operations and/or result in additional material expenditures.

As a consequence, no assurances can be given that additional workers' health and safety issues relating to presently known or unknown matters will not require unanticipated expenditures, or results in fines, penalties or other consequences (including changes to operations) material to its business and operations. If the Group is held to be in violation of such regulatory requirements, including conditions in the licences, permits or approvals required for its operations, by courts or governmental agencies, it may have to pay fines, modify, suspend or discontinue its operations, incur additional operating costs or make

APPENDIX I – RISK FACTORS

capital expenditures. Any public interest or class action legal proceedings related to such health, safety or environmental matters could also result in the imposition of financial or other obligations on the Group. Any such costs may have a material adverse effect on the business, financial condition, results of operations and prospects of the Group.

(E) Compliance with applicable data protection obligations in relation to medical or personal data may be costly

Laws and regulations in the countries in which the Group operates require licensees of a private medical clinic or healthcare establishment to keep and maintain proper medical records. In this regard, such licensees are generally required to take all reasonable steps, including implementing such processes as are necessary, to ensure that such medical records are accurate, complete and up-to-date and to implement adequate safeguards (whether administrative, technical or physical) to protect the medical records against accidental or unlawful loss, modification or destruction, or unauthorised access, disclosure, copying, use or modification. Any contravention of these laws and regulations may render the person committing the offence liable on conviction to a fine and/or imprisonment. Further, these laws and regulations are subject to change. Compliance with new privacy and security laws, regulations and requirements may result in increased operating costs and may constrain or require the Group to alter its business model or operations which may in turn materially and adversely affect the Healthcare Business, results of operations and financial condition of the Group.

There is no assurance that there would not be data leakage or improper use of such information due to technology failures or lapses in the Group's controls over access to such information. Any breach of its confidentiality obligations could expose the Group to potential liabilities such as litigation or regulatory proceedings and may materially and adversely impact the Healthcare Business, results of operations and financial condition of the Group.

(F) The Group may need to obtain further financing for the Group's future growth

The Group will have to fund the investment costs for capital expenditure and operating costs required for its operations. The Group may also require additional funding for its growth plans. In the event that the costs of implementing its growth plans exceed its funding estimates significantly or that the Group comes across opportunities to grow through expansion plans which cannot be predicted at this juncture, and the funds generated from the Group's operations prove insufficient for such purposes, the Group may need to raise additional funds to meet these funding requirements. The Group will consider obtaining such funding from new issuance of equity, debt instruments and/or external bank borrowings, as appropriate.

In addition, the Group may need to obtain additional equity or debt financing for other business opportunities that the Group deems favourable to its future growth and prospects. Funding through the new issuance of equity will lead to a dilution in the interests of its Shareholders. An increase in debt financing may be accompanied by conditions that restrict the Group's ability to pay dividends or require the Group to seek lenders' consent for payment of dividends or restrict the Group's freedom to operate its business by requiring lenders' consent for certain corporate actions.

APPENDIX I – RISK FACTORS

There is no assurance that the Group will be able to obtain additional financing on terms that are favourable and acceptable to the Group, or at all. If the Group is not able to secure adequate financing on a timely basis or at all, there may be a material adverse impact on the Group's business, financial condition, results of operations and prospects.

(G) Domestic, regional or global economic changes may adversely affect the Group's business

Adverse changes in the global financial markets may give rise to difficult conditions in the global credit and capital markets, such as reduced liquidity, greater volatility, widening of credit spreads, lack of price transparency in credit markets, a reduction in available financing, government intervention and lack of market confidence. These factors, combined with declining business and consumer confidence, may result in global economic uncertainties.

(H) The Group is subject to exchange controls

The ability of the Group's overseas Subsidiaries to pay dividends, repatriate profits or make other distributions to the Company will be subject to the exchange control laws and regulations in the respective jurisdictions which they operate in. There is no assurance that the relevant laws and regulations will not be amended to the Group's disadvantage and that the ability of these overseas Subsidiaries to distribute dividends, repatriate profits or make other distributions to the Company will not be materially and adversely affected.

(I) The Company is exposed to the credit risks of its customers

The Company's financial position and results of operations are dependent, to a certain extent, on the creditworthiness of its customers. If there are any unforeseen circumstances affecting its customers' ability or willingness to pay the Company, such as a decline in their business or a general economic downturn, the Company may experience payment delays or non-payment.

(J) The Company's business may be affected by adverse conditions in the global financial markets which may affect the Company's growth prospects and financial performance

The Company's business, financial position, results of operations and prospects may be materially affected by conditions in the financial markets and the economy in Singapore and elsewhere. Adverse political and socio-economic changes may have an impact on the health of the global economic and financial system and may affect global consumer sentiments. Such sentiments have precipitated an economic slowdown and recessionary pressures globally. In Singapore, concerns over, *inter alia*, increased unemployment, inflation, geopolitical issues and the availability and cost of credit have contributed to a reduction in liquidity levels, a general decline in lending activity by financial institutions, diminished expectations for the global economy and the markets in the near term, and declining business and consumer confidence. A global economic downturn can adversely affect the Company's revenue as the shipping industry is heavily reliant on global trade flows whereas the cruise industry could face a decline in travel volumes from holiday travellers in such situation. It could also affect the Company's ability to obtain short-term and long-term financing from the banks and financial institutions. Further, it could also result in an increase in the cost of the Company's credit facilities and a reduction in the amount of credit facilities currently available to the Company, and this may have an adverse effect on the Company's prospects, business, operations and financial results.

APPENDIX I – RISK FACTORS

(K) The Group may incur foreign exchange losses as a result of fluctuations in foreign exchange rates

The revenue from the Group's business may be generated from overseas markets and in foreign currencies. To the extent that the Group's revenue, purchases and operating costs are not matched in the same currency and to the extent there are timing differences between invoicing and collection of payment, as the case may be, the Group may be exposed to any unfavourable fluctuations of such currencies of the jurisdictions in which the Group will be engaging in to conduct its business, and the Group's operating results may be materially or adversely affected.

(L) The Group's success depends upon its management team and other key personnel, the loss of any of whom could disrupt its business operations

The Group believes that its future success is dependent upon the continued service of its senior management team who have valuable and long-standing experience in the business in which the Group operates and an important depth of understanding of the demands, technicalities and intricacies of the Group's business and its customers' needs. While the Group believes it offers competitive terms of employment, there can be no assurance that the Group will retain its key management personnel or that the Group will be able to attract, train or retain qualified personnel in the future. The loss of key management personnel (particularly to one of the Group's competitors) may adversely affect the implementation of the Group's business strategies, which could have a material adverse effect on the Group's business, financial condition, results of operations and/or prospects.

(M) The Group may be exposed to risks associated with acquisitions, joint ventures, and/or strategic alliances

Depending on available opportunities, feasibility and market conditions, the Group may consider acquisitions, joint ventures, and/or strategic alliances with third parties in overseas markets that the Group may intend to focus on. There is no assurance that such acquisitions, joint ventures, strategic alliances and/or the joint management of such enterprises will be successful. Participation in joint ventures, strategic alliances, acquisitions and/or other investment opportunities involves numerous risks, including the possible diversion of the management's attention and loss of capital or other investments deployed in such ventures, alliances, acquisitions and/or opportunities.

(N) The Group's businesses are subject to competition risks

The success of the Group will depend to a large extent on the Group's ability to establish itself in the respective industries it operates in and build its clientele on an economically viable scale in line with the Group's business objectives. The Group will have to compete with other existing businesses in the respective industries, some of which may be larger, more established, better capitalised, offer a wider and more diverse range of services, have access to greater human resources and be able to offer the same services for a more competitive price. There can be no assurance that the Group's plan to penetrate these markets will be commercially successful. If the Group fails to compete effectively in this environment, the Group may lose clients and/or investee companies. The Group will need to increase its expenditure on marketing activities to develop market awareness and relationships with potential clients and/or investee companies. If such expenditure does not result in a corresponding increase in revenue, this may have an adverse impact on the Group's growth prospects and financial performance.

APPENDIX I – RISK FACTORS

(O) The Group may be subject to exposure to litigation

The Group may be involved from time to time in disputes with other third parties. The Group may be subject to claims arising from disputes over the interpretation or enforceability of any contracts or agreements entered into with other third parties. These disputes may lead to legal and other regulatory proceedings and may cause the Group to suffer additional costs and delays.

(P) The Group may be adversely affected by COVID-19 or the spread of diseases or an outbreak of any contagious or virulent diseases and pandemics or epidemics

The outbreak of communicable or virulent diseases and pandemics or epidemics such as SARS (severe acute respiratory syndrome), H1N1 (swine) flu, avian flu (including the H5N1 and H7N9 strains), Ebola and most recently, the outbreak of a novel strain of coronavirus, COVID-19, may materially and adversely affect the Group's supply from suppliers and contract manufacturers and/or the Group's operations. In addition, any such occurrence could result in sporadic or prolonged market and/or supply disruptions, an economic downturn or recession, volatilities in domestic and/or international financial markets and may materially and adversely affect the markets in which the Group operate or have a presence in. The occurrence or developments of any of these events may materially and adversely affect the Group's business, prospects, financial condition and results of operations.

RISK RELATING TO THE SECURITIES OF THE COMPANY

(Q) Investments in shares quoted on Catalist involve a higher degree of risk and can be less liquid than shares quoted on the Mainboard of the SGX-ST

Catalist is a listing platform designed primarily for fast-growing and emerging or smaller companies, to which a higher investment risk tends to be attached, as compared to larger or more established companies listed on the Mainboard of the SGX-ST. An investment in shares quoted on Catalist may carry a higher risk than an investment in shares quoted on the Mainboard of the SGX-ST and the future success and liquidity in the market of the Shares cannot be guaranteed.

(R) Shareholders who do not or are not able to accept their provisional allotment of Rights Shares will experience a dilution in their ownership of the Company

In the event that Entitled Shareholders do not or are not able to accept their provisional allotment of Rights Shares in full, their proportionate ownership of the Company will be reduced and such Shareholders will have their shareholdings in the Company diluted after completion of the Rights Issue due to the issuance of new Shares. They may also experience a dilution in the value of their Shares.

Even if an Entitled Shareholder sells his provisional allotment of Rights Shares, or such provisional allotment of Rights Shares are sold on his behalf, the consideration he receives may not be sufficient to compensate him fully for the dilution of his ownership of the Company as a result of the Rights Issue.

(S) Negative publicity may adversely affect the price of the Shares

Any negative publicity or announcement, whether justifiable or not, relating to the Group or any of its associates or existing or future joint venture partners may adversely affect the price of the Shares. Such negative publicity or announcement may include involvement in insolvency proceedings, litigation suits and failed attempts in joint ventures or take-overs.

APPENDIX I – RISK FACTORS

(T) The price of the Shares may be volatile, which could result in substantial losses for investors subscribing for the Rights Shares

There is no assurance that the market price for the Shares will not fluctuate significantly and rapidly as a result of certain factors, some of which are beyond the Company's control. The global financial markets have experienced significant price and volume fluctuations in recent years and market prices of shares may continue to be volatile. Volatility in the price of the Shares may be caused by factors outside its control and may be unrelated or disproportionate to the Group's operating results.

Examples of such factors include, *inter alia*, (i) corporate actions such as fundraising exercises, significant acquisitions, strategic alliances or joint ventures, disposals and business diversification; (ii) variation(s) of its operating results or changes in our financial position; (iii) success or failure of the Company in implementing business and growth strategies; (iv) changes in securities analysts' perceptions or estimates of the Group's financial performance; (v) changes in the share prices of companies with similar business to the Group that are listed in Singapore or elsewhere; (vi) changes in conditions affecting the industries in which we operate in; (vii) additions or departures of key personnel; (viii) fluctuations in stock market prices and volume; (ix) involvement in litigation or negative publicity involving the Group or any Director or key personnel of the Group; (x) general economic, political and regulatory environment in the markets that the Group operates in; (xi) changes in accounting policies; and (xii) other events of factors described in this Offer Information Statement.

For these reasons, among others, the Shares may trade at prices that are higher or lower than the NAV per Share. In addition, to the extent that the Group retains operating cash flow for investment purposes, working capital reserves or other purposes, these retained funds, while increasing the value of the Group's underlying assets, may not correspondingly increase the market price of the Shares. Any failure on the Group's part to meet market expectations with regard to future earnings and cash distributions may adversely affect the market price for the Shares. The Shares are not capital-safe products and, if the market price of the Shares declines, there is no guarantee that Shareholders can regain the amount originally invested. If the Company is terminated or liquidated, it is possible that investors may lose all or a part of their investment in the Shares. In addition, the SGX-ST and other securities markets have from time-to-time experienced significant price and volume fluctuations that are not related to the operating performance of any particular company. These fluctuations may also materially and adversely affect the market price of the Shares.

(U) There is no assurance that an active market for the Shares will develop after the Rights Issue

Active and liquid trading for securities generally result in lower volatilities in price and more efficient execution of buy and sell orders for investors. Generally, the liquidity of the market for a particular share is dependent on, *inter alia*, the size of the free float, the price of each board lot, institutional interests, and the business prospects of the Group as well as the prevailing market sentiment. There is no assurance that the liquidity of the Shares or the volume of the Shares as traded on Catalist may not change or decline after the Rights Issue.

APPENDIX I – RISK FACTORS

Shareholders should note that the Shares trade in board lots of 100 Shares. Following the Rights Issue, Shareholders who hold odd lots of the Rights Shares and who wish to trade in odd lots on Catalist should note that there is no assurance that they will be able to acquire such number of Rights Shares to make up one board lot of 100 Rights Shares or to dispose of their odd lots (whether in part or whole) on Catalist. Further, Entitled Shareholders who hold odd lots of less than 100 Rights Shares may experience difficulty and/or have to bear disproportionate transaction costs in disposing of odd lots of their Rights Shares.

(V) An active market may not develop for the “nil-paid” rights entitlements during the provisional allotment period prescribed by the SGX-ST

There is no assurance that an active trading market for the “nil-paid” rights on Catalist will develop during the trading period. Even if an active market develops, the trading price of the “nil-paid” rights, which depends on the trading price of the Shares, may be volatile. In addition, Shareholders in certain jurisdictions are not allowed to participate in the Rights Issue. The “nil-paid” rights which would otherwise be provisionally allotted to Foreign Shareholders, may be sold by the Company, which could affect the trading price of the “nil-paid” rights.

Investors may experience future dilution in the value of their Shares.

The Group may need to raise additional funds in the future to finance the repayment of borrowings, expansion of new developments relating to the Group’s existing operations and/or to finance future investments. If additional funds are raised through the issuance by the Company of new Shares other than on a *pro rata* basis to existing Shareholders, the percentage ownership of existing Shareholders may be reduced and existing Shareholders may experience dilution in the value of their Shares.

(W) Any future sales of the Shares by the Group’s Substantial Shareholders and/or Directors could adversely affect its Share price

Any future sale of Shares by the Substantial Shareholders and/or Directors in the public market can have a downward pressure on the price of the Shares. The sale of a significant amount of such Shares in the public market, or the perception that such sales may occur, could materially and adversely affect the market price of the Shares. These factors could also affect the Group’s ability to issue additional equity securities in the future.

The Company and CDP shall be entitled to process each application submitted for the acceptance of the provisional allotment of Rights Securities, and where applicable, application for Excess Rights Securities in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Shareholder, on its own, without regard to any other application and payment that may be submitted by the same Entitled Shareholder. 2.5 Acceptance of Part of Provisional Allotments of Rights Securities and Trading of Provisional Allotments of Rights Securities

An Entitled Depositor may choose to accept his provisional allotment of Rights Securities specified in the ARE in full or in part. If an Entitled Depositor wishes to accept part of his provisional allotment of Rights Securities and trade the balance of his provisional allotment of Rights Securities on the SGX-ST, he should:

Such Entitled Depositors may start trading in their provisional allotments of Rights Securities as soon as dealings therein commence on the SGX-ST. Entitled Depositors who wish to trade in lot sizes other than mentioned above may do so in the Unit Share Market of the SGX-ST during the provisional allotment trading period.

2.6 Sale of Provisional Allotments of Rights Securities

The ARE need not be forwarded to the purchasers of the provisional allotments of Rights Securities (“**Purchasers**”) as arrangements will be made by CDP for a separate ARS to be issued to the Purchasers. Purchasers should note that CDP will, for and on behalf of the Company, send the ARS, accompanied by this Offer Information Statement and other accompanying documents, **BY ORDINARY POST AND AT THE PURCHASERS’ OWN RISK**, to their respective Singapore addresses as maintained in the records of CDP. Purchasers should ensure that their ARSs are accurately completed and signed, failing which their acceptances of the provisional allotments of Rights Securities may be rejected. Purchasers who do not receive the ARS, accompanied by this Offer Information Statement and other accompanying documents, may obtain the same from CDP or the Share Registrar, for the period up to **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). Foreign Purchasers who wish to accept the provisional allotments of Rights Securities credited to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore.

PURCHASERS SHOULD INFORM THEIR FINANCE COMPANIES OR DEPOSITORY AGENTS IF THEIR PURCHASES OF SUCH PROVISIONAL ALLOTMENTS OF RIGHTS SECURITIES are SETTLED THROUGH THESE INTERMEDIARIES. IN SUCH INSTANCES, IF THE PURCHASERS WISH TO ACCEPT THE RIGHTS SECURITIES REPRESENTED BY THE PROVISIONAL ALLOTMENTS OF RIGHTS SECURITIES PURCHASED, THEY WILL NEED TO GO THROUGH THESE INTERMEDIARIES, WHO WILL THEN ACCEPT THE PROVISIONAL ALLOTMENTS OF RIGHTS SECURITIES ON THEIR BEHALF.

Entitled Depositors who wish to renounce in full or in part their provisional allotments of Rights Securities in favour of a third party should complete the relevant transfer forms with CDP (including any accompanying documents as may be required by CDP) for the number of provisional allotments of Rights Securities which they wish to renounce. Such renunciation shall be made in accordance with the “*Terms and Conditions for Operation of Securities Accounts with CDP*”, as the same may be amended from time to time, copies of which are available from CDP. As CDP requires at least three (3) Market Days to effect such renunciation, Entitled Depositors who wish to renounce are advised to do so early to allow sufficient time for CDP to send the ARS and other accompanying documents, for and on behalf of the Company, to the Renounee by ordinary post and **AT HIS OWN RISK**, to his Singapore address as maintained in the records of CDP and for the Renounee to accept his provisional allotments of Rights Securities. The last time and date for acceptance of the provisional allotments of Rights Securities and payment for the Rights Securities by the Renounee is **5:30 P.M. Without prejudice to the generality of the foregoing, in such a case, the Entitled Depositor or the Purchaser shall be regarded as having irrevocably authorised the Company and/or CDP to apply all amounts received whether under the ARE, the ARS and (if applicable) any other acceptance of Rights Securities provisionally allotted to him and/or application for Excess Rights Securities (including an Electronic Application(s)) in whichever mode or combination as the Company and/or CDP may, in their/its absolute discretion, deem fit.

The Company reserves the right to refuse any application for Excess Rights Securities, in whole or in part, without assigning any reason whatsoever. In the event that the number of Excess Rights Securities allotted to an Entitled Depositor is less than the number of Excess Rights Securities applied for, the Entitled Depositor shall be deemed to have accepted the number of Excess Rights Securities actually allotted to him.

APPENDIX II – PROCEDURES FOR ACCEPTANCE, PAYMENT AND EXCESS APPLICATION BY ENTITLED DEPOSITORS

in each case, the attention of the Entitled Scripholder is drawn to paragraph 2.3 of this Appendix II entitled “Appropriation” which sets out the circumstances and manner in which the Company and the Share Registrar shall be authorised and entitled to determine the number of Rights Shares which the Entitled Scripholder has given instructions to accept.

2.3 Appropriation

An Entitled Scripholder should note that by accepting his provisional allotment of Rights Shares, he acknowledges that, the Company and/or the Share Registrar, in determining the number of Rights Shares which the Entitled Scripholder has given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of Rights Shares, whether by way of Cashier’s Order or Banker’s Draft in Singapore currency drawn on a bank in Singapore to be applied towards the payment of his acceptance of Rights Shares.

3. REQUEST FOR SPLITTING (FORM B), RENUNCIATION (FORM C) AND NOMINATION (FORM D)

- 3.1 Entitled Scripholders who wish to accept a portion of their provisional allotment of Rights Shares and renounce the balance of their provisional allotment of Rights Shares, or who wish to renounce all or part of their provisional allotments in favour of more than one (1) person, should first, using Form B, request to have their provisional allotments under the PAL split into separate PALs (“**Split Letters**”) according to their requirements.

The duly completed Form B together with the PAL, in its entirety, should be returned to **CLEARBRIDGE HEALTH LIMITED C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES AT 9 RAFFLES PLACE, #26-01 REPUBLIC PLAZA 1, SINGAPORE 048619** so as to arrive not later than **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). Split Letters will then be issued to Entitled Scripholders in accordance with their request. No Split Letters will be issued to Entitled Scripholders if Form B (together with the PAL in its entirety) is received after **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

The Company reserves the right to reject any request for Split Letters if, in the opinion of the Directors, the Rights Shares requested for in the Split Letters are in unreasonable denominations. The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the person(s) lodging it, or on whose behalf it is lodged, to deal with the same and to receive Split Letter(s) and to have credited to that person’s Securities Account with CDP the Rights Shares allotted to him or, if relevant, to receive physical share certificate(s) and/or to receive any statement from CDP and/or refund of acceptance or application monies. Instructions relating to acceptance, payment, renunciation, nomination and consolidation set out in the PAL shall apply to the Split Letters received consequent upon the original provisional allotment of Rights Shares being split.

**APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING,
RENUNCIATION, EXCESS APPLICATION AND
PAYMENT BY ENTITLED SCRIPHOLDERS**

3.2 The Split Letters, representing the number of Rights Shares which Entitled Scripholders intend to renounce, may be renounced by completing and signing Form C before delivery to the Renouncee(s). Entitled Scripholders should complete and sign Form A of the Split Letter(s) representing that part of their provisional allotments they intend to accept, if any, and forward the said Split Letter(s) together with payment in the prescribed manner to **CLEARBRIDGE HEALTH LIMITED C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES AT 9 RAFFLES PLACE, #26-01 REPUBLIC PLAZA 1, SINGAPORE 048619** so as to arrive not later than **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

3.3 Entitled Scripholders who wish to renounce their entire provisional allotment of Rights Shares in favour of one (1) person, or renounce any part of it in favour of one (1) person and decline the balance, should complete Form C for the number of provisional allotment of Rights Shares which they wish to renounce and deliver the PAL in its entirety to the Renouncee(s).

The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the Renouncee to deal with it and (if applicable) to receive Split Letters and to have credited to the Renouncee's Securities Account with CDP the Rights Shares renounced to him or, if relevant, to receive physical share certificate(s) for the Rights Shares and/or to receive any statement from CDP and/or return or refund of surplus acceptance monies.

3.4 Each Entitled Scripholder may consolidate the Rights Shares provisionally allotted in the PAL together with those comprised in any PALs and/or Split Letters renounced in his favour by completing and signing Form A and the Consolidated Listing Form in Form D of the PAL and attaching thereto all the said renounced PALs and/or Split Letters, each duly completed and signed and with the serial number of the Principal PAL (as hereinafter defined) stated on each of them.

3.5 A Renouncee who is not an Entitled Scripholder and who wishes to consolidate the provisional allotments of Rights Shares comprised in several renounced PALs and/or Split Letters in one (1) name only or in the name of a joint Securities Account should complete the Consolidated Listing Form in Form D of only one PAL or Split Letter ("**Principal PAL**") by entering therein details of the renounced PALs and/or Split Letters and attaching thereto all the said renounced PALs and/or Split Letters, each duly completed and signed, and with the serial number of the Principal PAL stated on each of them.

3.6 ALL THE RENOUNCED PALS AND SPLIT LETTERS, EACH DULY COMPLETED AND SIGNED, MUST BE ATTACHED TO FORM A OR FORM D (AS THE CASE MAY BE).

The Renouncee(s) should complete and sign Form D and send Form D together with the PAL in its entirety, duly completed and signed, together with payment in the prescribed manner, to **CLEARBRIDGE HEALTH LIMITED C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES AT 9 RAFFLES PLACE, #26-01 REPUBLIC PLAZA 1, SINGAPORE 048619** so as to arrive not later than **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

**APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING,
RENUNCIATION, EXCESS APPLICATION AND
PAYMENT BY ENTITLED SCRIPHOLDERS**

4. PAYMENT

- 4.1 Payment for the full amount due on acceptance and/or application in relation to the PALs must be made in Singapore currency in the form of a Cashier's Order or Banker's Draft drawn on a bank in Singapore and made payable to "**CLEARBRIDGE HEALTH LIMITED**" and crossed "**NOT NEGOTIABLE, A/C PAYEE ONLY**" with the name and address of the Entitled Scripholder or accepting party clearly written in block letters on the reverse side of the Cashier's Order or Banker's Draft. The completed and signed PAL and remittance should be addressed to and forwarded at the sender's own risk to **CLEARBRIDGE HEALTH LIMITED C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES AT 9 RAFFLES PLACE, #26-01 REPUBLIC PLAZA 1, SINGAPORE 048619** by **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). **NO OTHER FORM OF PAYMENT (INCLUDING THE USE OF A PERSONAL CHEQUE, POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE ACCEPTED.**
- 4.2 If acceptance and (if applicable) excess application and payment in the prescribed manner as set out in this Offer Information Statement and the PAL is not received by **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company), the provisional allotment of Rights Shares shall be deemed to have been declined and shall forthwith lapse and become void and cease to be capable of acceptance and such provisional allotment of Rights Shares not so accepted will be used to satisfy excess applications, if any, or disposed of or dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company subject to applicable laws and the Catalist Rules. The Company will return or refund all unsuccessful application monies received in connection therewith **BY ORDINARY POST and AT THE RISK OF THE ENTITLED SCRIPHOLDERS OR THEIR RENOUNCEE(S)**, as the case may be, without interest or any share of revenue or other benefit arising therefrom within fourteen (14) days after the Closing Date.

5. APPLICATIONS FOR EXCESS RIGHTS SHARES (FORM E)

- 5.1 Form E contains full instructions with regard to Excess Rights Shares application, acceptable forms of payment and the procedures to be followed if the Entitled Scripholders wish to apply for Rights Shares in excess of his provisional allotment of Rights Shares. Entitled Scripholders who wish to apply for Excess Rights Shares in addition to those which have been provisionally allotted to them may do so by completing, signing the Form B of the PAL and forwarding it with a **SEPARATE SINGLE REMITTANCE** for the full amount payable in respect of the Excess Rights Shares applied for in the form and manner set out above to **CLEARBRIDGE HEALTH LIMITED C/O THE SHARE REGISTRAR, TRICOR BARBINDER SHARE REGISTRATION SERVICES AT 9 RAFFLES PLACE, #26-01 REPUBLIC PLAZA 1, SINGAPORE 048619** so as to arrive not later than **5:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). **NO OTHER FORM OF PAYMENT (INCLUDING THE USE OF A PERSONAL CHEQUE, POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE ACCEPTED.**

APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING, RENUNCIATION, EXCESS APPLICATION AND PAYMENT BY ENTITLED SCRIPHOLDERS

- 5.2 Applications for Excess Rights Shares are subject to the terms and conditions contained in the PAL, Form E, this Offer Information Statement and (if applicable) the Constitution of the Company. Applications for Excess Rights Shares will, at the Directors' absolute discretion, be satisfied from such Rights Shares as are not validly taken up by the Entitled Scripholders, the original allottee(s) or their respective Renouncee(s), or the Purchaser(s) of the provisional allotment of Rights Shares, the unsold "nil-paid" provisional allotments (if any) of Foreign Shareholders and any Rights Shares that are otherwise not allotted for whatever reason in accordance with the terms and conditions contained in this Offer Information Statement, the PAL, Form E and (if applicable) the Constitution of the Company.
- 5.3 In the event that applications are received by the Company for more Excess Rights Shares than are available, the Excess Rights Shares available will be allotted in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. In the allotment of Excess Rights Shares, preference will be given to Shareholders for the rounding of odd lots. Directors and Substantial Shareholders who have Control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation on the Board (whether direct or through a nominee) will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares. The Company reserves the right to allot the Excess Rights Shares applied for under Form E in any manner as the Directors may deem fit and to reject or refuse, in whole or in part, any application for Excess Rights Shares without assigning any reason. CDP takes no responsibility for any decision that the Directors may make.
- 5.4 In the event that the number of the Excess Rights Shares allotted to Entitled Scripholders is less than the number of Excess Rights Shares applied for, Entitled Scripholders shall be deemed to have accepted the number of Excess Rights Shares actually allotted to them. If no Excess Rights Shares are allotted to Entitled Scripholders or if the number of Excess Rights Shares allotted to them is less than that applied for, it is expected that the amount paid on application or the surplus of the application monies for Excess Rights Shares received by the Company, as the case may be, will be returned or refunded to them by the Company without interest or any share of revenue or other benefit arising therefrom within fourteen (14) days after the Closing Date by means of a crossed cheque drawn on a bank in Singapore and sent, **BY ORDINARY POST** to their mailing addresses in Singapore as maintained with the Share Registrar **AT THEIR OWN RISK**.

6. GENERAL

- 6.1 No acknowledgements or receipts will be issued in respect of any acceptances, remittances or applications.
- 6.2 **Entitled Scripholders who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.**
- 6.3 Upon listing and quotation on Catalist, the Rights Shares, when issued, will be traded under the book-entry (scripless) settlement system. All dealings in and transactions (including transfers) of the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "*Terms and Conditions for Operation of Securities Accounts with CDP*" and "*Terms and conditions for CDP to act as Depository for the Rights Shares*", as the same may be amended from time to time, copies of which are available from CDP.

APPENDIX III – PROCEDURES FOR ACCEPTANCE, SPLITTING, RENUNCIATION, EXCESS APPLICATION AND PAYMENT BY ENTITLED SCRIPHOLDERS

- 6.4 To facilitate scripless trading, Entitled Scripholders and their Renounees who wish to accept the Rights Shares provisionally allotted to them and (if applicable) apply for Excess Rights Shares and who wish to trade the Rights Shares issued to them on Catalist under the book-entry (scripless) settlement system, should open and maintain Securities Accounts with CDP in their own names if they do not already maintain such Securities Accounts in order that the number of Rights Shares and, if applicable, the Excess Rights Shares that may be allotted to them may be credited by CDP into their Securities Accounts. Entitled Scripholders and their Renounees who wish to accept and/or apply for the Excess Rights Shares and have their Rights Shares credited into their Securities Accounts must fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL. Entitled Scripholders and their Renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who provide incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in their Securities Accounts currently maintained with CDP will be issued physical share certificates in their own names for the Rights Shares allotted to them and if applicable, the Excess Rights Shares allotted to them. Such physical share certificates, if issued, will not be valid for delivery pursuant to trades done on Catalist under the book-entry (scripless) settlement system, although they will continue to be prima facie evidence of legal title. These physical share certificates will be sent **BY ORDINARY POST** to person(s) entitled thereto to their mailing addresses in Singapore as recorded with **CDP AT HIS/THEIR OWN RISK**.
- 6.5 If the Entitled Scripholders' addresses stated in the PALs are different from their addresses registered with CDP, they must inform CDP of their updated addresses promptly, failing which the notification letters on successful allotments and other correspondences will be sent to their addresses last registered with CDP.
- 6.6 A holder of physical share certificate(s), or an Entitled Scripholder who has not deposited his share certificate(s) with CDP but who wishes to trade on Catalist, must deposit with CDP his existing share certificate(s), together with the duly executed instrument(s) of transfer in favour of CDP, and have his Securities Account credited with the number of Rights Shares and/or existing Shares, as the case may be, before he can effect the desired trade.
- 6.7 **THE FINAL TIME AND DATE FOR ACCEPTANCES AND/OR APPLICATIONS AND PAYMENT FOR THE RIGHTS SHARES UNDER THE RIGHTS ISSUE IS 5:30 P.M. ON 4 DECEMBER 2024 (OR SUCH OTHER TIME(S) AND/OR DATE(S) AS MAY BE ANNOUNCED FROM TIME TO TIME BY OR ON BEHALF OF THE COMPANY).**

7. PERSONAL DATA PRIVACY

By completing and delivering the PAL, an Entitled Scripholder or a Renounee (i) consents to the collection, use and disclosure of his personal data by the Relevant Persons (as defined in Appendix II) for the Purposes (as defined in Appendix II); (ii) warrants that where he discloses the personal data of another person, such disclosure is in compliance with applicable law; and (iii) agrees that he will indemnify the Relevant Persons in respect of any penalties, liabilities, claims, demands, losses and damages as a result of his breach of warranty.

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

The procedures for Electronic Applications through ATMs of the Participating Bank(s) are set out on the ATM screens of the Participating Bank(s) (“**Steps**”).

Please read carefully the terms of this Offer Information Statement, the Steps, and the terms and conditions for Electronic Applications set out below before making an Electronic Application through an ATM of a Participating Bank. Any Electronic Application through an ATM of a Participating Bank which does not strictly conform to the instructions set out on the screens of the ATM through which the Electronic Application is made will be rejected.

Any reference to the “**Electronic Applicant**” in the terms and conditions for Electronic Application through an ATM of a Participating Bank and the Steps shall mean the Entitled Depositor or his Renounee or the Purchaser who accepts the provisional allotments of Rights Shares or (as the case may be) who applies for the Excess Rights Shares through an ATM of a Participating Bank. An Electronic Applicant must have an existing bank account with, and be an ATM cardholder of, the Participating Bank before he can make an Electronic Application through an ATM of a Participating Bank.

The actions that the Electronic Applicant must take at ATMs of the Participating Banks(s) are set out on the ATM screens of the Participating Bank. Upon completion of his Electronic Application transaction, the Electronic Applicant will receive an ATM transaction slip (“**Transaction Record**”), confirming the details of his Electronic Application. The Transaction Record is to be retained by the Electronic Applicant and should not be submitted with any ARE or ARS.

For SRS Members and investors who hold Shares through finance companies or Depository Agents, acceptances of their provisional allotments of Rights Shares and (if applicable) applications for Excess Rights Shares must be done through the respective SRS Approved Banks, finance companies or Depository Agents. Such investors are advised to provide their SRS Approved Banks, finance companies or Depository Agents, as the case may be, with the appropriate instructions early in order for such intermediaries to make the relevant acceptance and (if applicable) application on their behalf by the Closing Date. Any acceptance and (if applicable) application made directly through CDP, Electronic Application at any ATM of a Participating Bank or an Accepted Electronic Service, the Share Registrar and/or the Company will be rejected.

For Renounees of Entitled Shareholders or Purchasers whose purchases are settled through finance companies or Depository Agents, acceptances of the Rights Shares represented by the provisional allotment of Rights Shares purchased must be done through the respective finance companies or Depository Agents. Such Renounees or Purchasers are advised to provide their respective finance companies or Depository Agents, as the case may be, with the appropriate instructions early in order for such intermediaries to make the relevant acceptances on their behalf by the Closing Date. Any acceptance of the Rights Shares and (if applicable) application for Excess Rights Shares made directly through CDP, Electronic Application at any ATM of a Participating Bank or an Accepted Electronic Service, the Share Registrar and/or the Company will be rejected.

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

An Electronic Applicant, including one who has a joint bank account with the Participating Bank, must ensure that he enters his own Securities Account number when using the ATM card issued to him in his own name. Using his own Securities Account number with an ATM card which is not issued to him in his own name will render his acceptance or (as the case may be) application liable to be rejected.

The Electronic Application through ATMs of the Participating Bank(s) shall be made in accordance with, and subject to, the terms and conditions of this Offer Information Statement, including but not limited to the terms and conditions appearing below.

1. In connection with his Electronic Application through ATMs of the Participating Bank(s) for the Rights Shares, the Electronic Applicant is required to confirm statements to the following effect in the course of activating the ATM for his Electronic Application:
 - (a) that he has received a copy of this Offer Information Statement and has read, understood and agreed to all the terms and conditions of acceptance of and (as the case may be) application for the Rights Shares under the Rights Issue and this Offer Information Statement prior to effecting the Electronic Application through an ATM of a Participating Bank and agrees to be bound by the same; and
 - (b) that he consents to the disclosure of his name, NRIC/passport number, address, nationality, Securities Account number and application details (“**Relevant Particulars**”) from his account with that Participating Bank to the Share Registrar, CDP, Securities Clearing and Company Services (Pte) Limited, the SGX-ST, the Sponsor, the Company and any other relevant parties (“**Relevant Parties**”) as CDP may deem fit for the purpose of the Rights Issue and his acceptance and/or (if applicable) excess application.

His acceptance of the provisional allotments of Rights Shares and (if applicable) application for Excess Rights Shares will not be successfully completed and cannot be recorded as a completed transaction in the ATM unless he presses the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be. By doing so, the Electronic Applicant shall be treated as signifying his confirmation of each of the two (2) statements above. In respect of statement 1(b) above, his confirmation, by pressing the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be, shall signify and shall be treated as his written permission, given in accordance with the relevant laws of Singapore including Section 47(2) and the Third Schedule of the Banking Act 1970 of Singapore, to the disclosure by that Participating Bank of the Relevant Particulars to the Relevant Parties.

2. An Electronic Applicant may make an Electronic Application through an ATM of a Participating Bank for the Rights Shares using cash only by authorising the Participating Bank to deduct the full amount payable from his account with such Participating Bank.
3. The Electronic Applicant irrevocably agrees and undertakes to subscribe for and to accept up to the aggregate of the number of the Rights Shares provisionally allotted and Excess Rights Shares applied for as stated on the Transaction Record or the number of Rights Shares represented by the provisional allotment of the Rights Shares as may be standing to the credit of the “Free Balance” of his Securities Account as at the Closing Date. In the event that the Company decides to allot any lesser number of such Excess Rights Shares or not to allot any number of Excess Rights Shares to the Electronic Applicant, the Electronic Applicant agrees to accept the decision as final and binding.

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

4. If the Electronic Applicant's Electronic Application through an ATM of a Participating Bank is successful, his confirmation (by his action of pressing the "Enter" or "OK" or "Confirm" or "Yes" key, as the case may be, on the ATM screen) of the number of Rights Shares accepted and/or Excess Rights Shares applied for shall signify and shall be treated as his acceptance of the number of Rights Shares accepted and/or Excess Rights Shares applied that may be allotted to him.
5. In the event that the Electronic Applicant accepts the Rights Shares and (if applicable) instructions to apply for Excess Rights Shares together with payment thereof by way of the ARE and/or the ARS (as the case may be), whether directly to CDP and/or by way of acceptance through Electronic Application through an ATM of a Participating Bank, the Company and/or CDP shall be authorised and entitled to accept the Electronic Applicant's instructions in whichever mode or combination thereof as they may, in their absolute discretion, deem fit. In determining the number of Rights Shares which the Electronic Applicant has validly given instructions to accept, the Electronic Applicant shall be deemed to have irrevocably given instructions to accept the lesser of the aggregate number of provisionally allotted Rights Shares which have been accepted by the Electronic Applicant by way of the ARE and/or the ARS (as the case may be) and by Electronic Application through an ATM of a Participating Bank, and the number of Rights Shares represented by the provisional allotment of the Rights Shares standing to the credit of the "Free Balance" of his Securities Account which is available for acceptance and payment as at the Closing Date. The Company and/or CDP, in determining the number of Rights Shares for which the Electronic Applicant has given valid instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of the Rights Shares, whether by way of Cashier's Order or Banker's Draft in Singapore currency drawn on a bank in Singapore accompanying the ARE and/or the ARS or by way of acceptance by Electronic Application through an ATM of a Participating Bank, which the Electronic Applicant has authorised or is deemed to have authorised to be applied towards the payment in respect of his acceptance.
6. If applicable, in the event that the Electronic Applicant applies for Excess Rights Shares both by way of ARE and by way of an application through Electronic Application through an ATM of a Participating Bank, the Company and/or CDP shall be authorised and entitled to accept the Electronic Applicant's instructions in whichever mode or a combination thereof as they may, in their absolute discretion, deem fit. In determining the number of Excess Rights Shares which the Electronic Applicant has validly given instructions to apply for, the Electronic Applicant shall be deemed to have irrevocably given instructions to apply for and agreed to accept such number of Excess Rights Shares not exceeding the aggregate number of Excess Rights Shares for which he has applied by way of the ARE, whether directly to CDP and/or by Electronic Application through an ATM of a Participating Bank. The Company and/or CDP, in determining the number of Excess Rights Shares which the Electronic Applicant has given valid instructions to apply for, shall be authorised and entitled to have regard to the aggregate amount of payment received for the application for the Excess Rights Shares, whether by way of Cashier's Order or Banker's Draft in Singapore currency drawn on a bank in Singapore accompanying the ARE or by way of application by Electronic Application through an ATM of a Participating Bank, which the Electronic Applicant has authorised or is deemed to have authorised to be applied towards the payment in respect of his application.

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

7. The Electronic Applicant irrevocably requests and authorises the Company to:
 - (a) register or procure the registration of the Rights Shares and (if applicable) the Excess Rights Shares allotted to the Electronic Applicant in the name of CDP for deposit into his Securities Account;
 - (b) return or refund (without interest or any share of revenue or other benefit arising therefrom) the acceptance/application monies, should his Electronic Application through an ATM of a Participating Bank in respect of the Rights Shares not be accepted and/or Excess Rights Shares applied for not be accepted by the Company for any reason, by automatically crediting the Electronic Applicant's bank account with his Participating Bank with the relevant amount within three (3) Business Days after the commencement of trading of the Rights Shares; and
 - (c) return or refund (without interest or any share of revenue or other benefit arising therefrom) the balance of the application monies, should his Electronic Application through an ATM of a Participating Bank for Excess Rights Shares be accepted in part only, by automatically crediting the Electronic Applicant's bank account with his Participating Bank with the relevant amount within three (3) Business Days after the commencement of trading of the Rights Shares.
8. **BY MAKING AN ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK, THE ELECTRONIC APPLICANT CONFIRMS THAT HE IS NOT ACCEPTING/APPLYING FOR THE RIGHTS SHARES AS NOMINEE OF ANY OTHER PERSON.**
9. The Electronic Applicant irrevocably agrees and acknowledges that the submission of his Electronic Application through an ATM of a Participating Bank is subject to risks of electrical, electronic, technical and computer-related faults and breakdowns, fires, acts of God, mistakes, losses, theft (in each case whether or not within the control of the Company, CDP, the Share Registrar and/or the Participating Bank) and any other events whatsoever beyond the control of the Company, CDP, the Share Registrar and/or the Participating Bank and if, in any such event, the Company, CDP, the Share Registrar and/or the Participating Bank do not record or receive the Electronic Applicant's Electronic Application through an ATM of a Participating Bank **by 9:30 P.M. ON 4 DECEMBER 2024**, or such data or the tape containing such data is lost, corrupted, destroyed or not otherwise accessible, whether wholly or partially for whatever reason, the Electronic Applicant shall be deemed not to have made an Electronic Application through an ATM of a Participating Bank and the Electronic Applicant shall have no claim whatsoever against the Company, CDP, the Share Registrar and/or the Participating Bank in respect of any purported acceptance thereof and (if applicable) excess applications therefor, or for any compensation, loss or damages in connection therewith or in relation thereto.
10. **ELECTRONIC APPLICATIONS MAY ONLY BE MADE THROUGH AN ATM OF A PARTICIPATING BANK FROM MONDAY TO SATURDAYS (EXCLUDING PUBLIC HOLIDAYS) BETWEEN 7:00 A.M. AND 9:30 P.M.**
11. Electronic Applications through an ATM of a Participating Bank shall close at **9:30 P.M. ON 4 DECEMBER 2024** or such other time as the Directors may, in their absolute discretion, decide (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

12. All particulars of the Electronic Applicant in the records of his Participating Bank at the time he makes his Electronic Application through an ATM of a Participating Bank shall be deemed to be true and correct and the Participating Bank and the Relevant Parties shall be entitled to rely on the accuracy thereof. If there has been any change in the particulars of the Electronic Applicant after the time of the making of his Electronic Application through an ATM of a Participating Bank, the Electronic Applicant shall promptly notify his Participating Bank.
13. The Electronic Applicant must have sufficient funds in his bank account(s) with his Participating Bank at the time he makes his Electronic Application through an ATM of a Participating Bank, failing which his Electronic Application through an ATM of a Participating Bank will not be completed. Any Electronic Application made through the ATMs of the Participating Bank(s) that does not strictly conform to the instructions set out on the ATM screens of the Participating Banks will be rejected.
14. Where an Electronic Application through an ATM of a Participating Bank is not accepted, it is expected that the full amount of the acceptance/application monies will be refunded in Singapore currency (without interest or any share of revenue or other benefit arising there from) to the Electronic Applicant by being automatically credited to the Electronic Applicant's account with the Participating Bank within three (3) Business Days after the commencement of trading of the Rights Shares. An Electronic Application through an ATM of a Participating Bank may also be accepted in part, in which case the balance amount of acceptance/application monies will be refunded on the same terms.
15. In consideration of the Company arranging for the Electronic Application facility through the ATMs of the Participating Bank(s) and agreeing to close the Rights Issue at **9:30 P.M. ON 4 DECEMBER 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company), and by making and completing an Electronic Application through an ATM of a Participating Bank, the Electronic Applicant agrees that:
 - (a) his Electronic Application is irrevocable (whether or not, to the extent permitted by law, any supplementary or replacement document is lodged with the SGX-ST, acting as agent on behalf of the Authority);
 - (b) his Electronic Application, the acceptance by the Company and the contract resulting there from shall be governed by and construed in accordance with the laws of Singapore and he irrevocably submits to the exclusive jurisdiction of the Singapore courts;
 - (c) his Electronic Application, the acceptance by the Company and the contract resulting there from shall be governed by and construed in accordance with the laws of Singapore and he irrevocably submits to the exclusive jurisdiction of the Singapore courts;
 - (d) he will not be entitled to exercise any remedy of rescission or misrepresentation at any time after acceptance of the provisionally allotted Rights Shares or and (if applicable) application for Excess Rights Shares;
 - (e) in respect of the Rights Shares and/or Excess Rights Shares for which his Electronic Application has been successfully completed and not rejected, acceptance of the Electronic Applicant's Electronic Application shall be constituted by written notification by or on behalf of the Company and not otherwise, notwithstanding any payment received by or on behalf of the Company; and

APPENDIX IV – ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

- (f) unless expressly provided to the contrary in this Offer Information Statement or the Electronic Application with respect to enforcement against the Electronic Applicant, a person who is not a party to any contract made pursuant to this Offer Information Statement and/or the Electronic Application has no right under the Contracts (Rights of Third Parties) Act 2001 of Singapore, to enforce any term of such contracts. Notwithstanding any term contained therein, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of liability) or terminate such contracts. Where the third parties are conferred rights under such contracts, those rights are not assignable or transferable.
16. The Electronic Applicant should ensure that his personal particulars as recorded by both CDP and the Participating Bank are correct and identical. Otherwise, his Electronic Application through an ATM of a Participating Bank may be liable to be rejected. The Electronic Applicant should promptly inform CDP of any change in his address, failing which the notification letter on successful allotment and/or other correspondence will be sent to his address last registered with CDP.
17. The existence of a trust will not be recognised. Any Electronic Application through an ATM of a Participating Bank by an Applicant must be made in his own name and without qualification. The Company will reject any application by any person acting as nominee.
18.
